STRANGE, YET TRUE, that after the hundreds of extraordinary cures wrought by DR. GREENE in this city and county, of Consumption, Diabetes, Palsy, Fits, Dyspepsia and other diseases, after the patients had (without success) tested Allo, and Homeopathic physicians. 'Tis very strange that hundreds of other persons, more or less afflicted with disease, will not read Dr. Greene's pamphlets, or call upon him and be cured of their ailments. Strange that they could be influenced by jealous physicians, or druggists, to keep away from him. They ought to know that the major portion of his patients are from the ranks of other M. D.'s, and that if they did not lie, or throw out some kind of inuendoes, they would lose the balance of their patrons. Mrs. McCaskey, of Philadelphia, came under Dr. G.'s charge through Mr. Powell, of No. 5 East Walnut street, almost blind; been for years testing the Philadelphia oculists. Oct. 27, went home with good vision and health. Oct. 27, wm. Ensminger, a blacksmith of Strasburg, came in almost a new man, having suffered for years with Dyspepsia in its worst forms. He had been under 13 M. D's. before he tested Omnipathy.
