

THIRD EDITION.

WEDNESDAY EVENING, DEC. 9, 1881.

WEATHER INDICATIONS. WASHINGTON, D. C., Dec. 9.—For the Middle Atlantic States, clear fair weather, north westerly winds, higher pressure.

THE GUILTY TRIAL. Rebutting the Insanity Theory. WASHINGTON, Dec. 9.—The pressure for admission to the court room was greater than resumed the stand. Dr. MacArthur stated to state an objection, when Scoville did it for him, saying that his side objected to the character of MacArthur's evidence, but the court ruled in favor of his admission. Guiteau then noisily denounced both the witness and the reporter presented a bill between Scoville and the witness then took place, the trouble being an ambiguous answer to the question, "How many private interviews did you have with the prisoner?" Dr. W. S. Caldwell testified that he had observed symptoms of insanity in L. W. Guiteau.

UNEARTHING A SWINDLER. The Gigantic Fraud Practiced Upon a Western Railroad. TOPEKA, Kan., Dec. 9.—Great frauds in the Atchison, Topeka & Santa Fe railroad have just been discovered. They consist of a new combination among bondholders and stockholders, and others along the entire line, by which fictitious names were carried on the pay roll. It is supposed two hundred men have been engaged in the swindle, and from one to two hundred thousand dollars stolen. Eighteen men have been arrested and placed in jail; the list includes 50 prominent and rich men. Attachments to the amount of \$80,000 have been issued, and a large amount of property levied upon.

MURDERED FOR MONEY. THE CRIME AND SWINDLING OF AN ATLANTA BANKER. MONTGOMERY, Ala., Dec. 9.—A few nights ago W. McLaughlin, merchant in Chambers county, was called up by some negro on the pretense of desiring to make purchases. As soon as he opened his door they struck him and killed him. Suspicion rested upon certain negroes, and upon arrested one of them he confessed the crime and guided his captors to a place where the money was buried. He was probably in jail, but there is a strong probability that he has been freed. This time, as the last account said, a great crowd from the locality of the murder was going to the jail to demand the prisoner.

THE VIENNA HOLOGRAST. Shocking Loss of Life Through Gross Neglect. LONDON, Dec. 9.—A later telegram from Vienna this morning says 275 bodies have been recovered from the ruins of the theatre. The fourth gallery has not yet been explored. It is believed that not a single person escaped from the gallery and that the corpses had been thrown more than charred fragments. Gross neglect is charged against the management of the theatre. The law prohibits the use of oil lamps in the corridors of the theatre and so that the exit shall be describable in event of the fire, and in the present instance was utterly neglected. The person in charge of the iron curtain, between the stage and auditorium, appears to have fled at the first alarm.

TRAGEDY FROM TEXAS. Death of a Drummer. GALVESTON, Texas, Dec. 9.—A special dispatch from Corpus Christi to the News says it is rumored that a well-known drummer of this section, named Kurman, and his man have been killed near Rio Grande City.

Four Men Killed. A special dispatch to the News from Laredo gives particulars of the killing of four men. One, the watchman of an oil tank, was shot through the heart, as was also a Mexican employed by the railroad company there. Two Mexican officers across the river who had quarreled fought with a fatal result.

TRIPLE TRAGEDY. The Shocking Crime of a Young Italian. NEW YORK, Dec. 9.—This morning Pasquale Loucico, aged 21, an Italian, living at 56 Thompson street, shot his 14-year-old wife Catherine through the head and killed her instantly. He then shot his mother-in-law Maria Valenta, aged 22, through the head and himself through the belly. Maria was taken to the hospital with a bullet in her brain, though still alive. Pasquale has a chance of recovery. There is great excitement in the Italian colony.

Failure of a Banking and Contracting Firm. BISMARCK, D. T., Dec. 9.—A Tribune special from Miles City, says: "The extensive contracting supply firm and bank of A. R. Nittinger & Co. have failed. The liabilities are reported to be \$285,000. Nittinger is now in Bismarck, and says the report is exaggerated—that the liabilities will not exceed \$150,000, with ample assets, and that an assignment has been made to Alexander H. Fisher, cashier, preferring all depositors in the bank. The creditors are mostly in St. Paul."

Shiny on Your Own Ship. TOMBSTONE, Arizona, Dec. 9.—A packet who escaped from San Carlos asserts that the people are living peacefully among the Mexicans, but that the authorities insist upon their keeping on their reservations.

A Ship Supposed to be Lost. LONDON, Dec. 9.—Steamer Saxon Monday, bound from Gibraltar to Antwerp, which is a month overdue, is supposed to have foundered in the bay of Biscay. It is feared all hands, numbering 40, are lost.

Our Representative's Blushing Honors. WASHINGTON, Dec. 9.—Representative A. Herr Smith, of Pennsylvania, has secured the first chairmanship of a House committee, that of mileage, which was announced by the speaker to-day.

A Servant Girl's Fatal Jump. MORRISTOWN, N. J., Dec. 9.—Annice Brady, the servant girl who jumped from the burning building yesterday, was fatally injured internally.

Arrangement of the House. WASHINGTON, Dec. 9.—The House, without transacting any important business, adjourned until Tuesday.

Killed While Resisting Arrest. MONTGOMERY, Ala., Dec. 9.—At the Pratt coal mines, Jefferson county, an officer attempted to arrest a negro, and, meeting with resistance, killed him.

Feet Pegging. MEMPHIS, Dec. 9.—Walking match score, 9:30 a. m.: Hart 103, O'Leary 148, Harriman 148, Schmelz 151.

To Accommodate the Public. The proprietors of that immensely popular remedy, Kidney-Wort in recognition of the claims of the people, have so liberally patronized them, have prepared a liquid preparation of that remedy for the special accommodation of those who for any reason dislike to prepare for themselves a very strong concentration, and as the dose is small, it is more easily taken by many.
