The Rapid Transit telegraph company will have two offices in this city, one at 21 Centre square and the other in the Stevens

D. B. Hodges, a very well-known the atrical agent, is in town ahead of Haverly's new Mastodon minstrels. He is one of Haverly's best men and took the old minstrels to Europe.

Last evening a member of the family of W. E. Kreider, deputy prothonotary, residing at 321 North Lime street, left the front door open for a short time and a thief entered and stole the gum door mat. D. K. Burkholder, the newly elected prison-keeper, was sworn in at the re-

corder's office this morning. J. F. Stoner this morning showed us a piece of work which he did with a scroll saw. It is the whole of the Lord's Prayer, with handsome ornaments. It is in a pretty frame and looks very neat.

Last evening Mrs. E. Stamm, mother of Hiram Stamm, of East Lemon street, while standing at the head of a stairway in her house, lost her halance and fell to the bottom. She was very badly bruised, but had no bones broken

Hon. Simon Cameron was in Lancaster this morning promenading the streets in company with Col. Wm. B. Fordney and Commodore John A. Hiestand. They are a sprightly trio, but Mr. Cameron looked rather younger than his companions. By the unanimous vote of the congrega-

tion of St. John's Lutheran church, Easton, Rev. D. H. Geissinger, formerly of this city, now of New York, has been called to the pastorate of that church, A few days will decide whether he accepts the charge or not.

Mayor MacGonigle had about a dozen customers this morning. Four of them, being drunken an I disorderly, were sent up to Castle Weise, where they will be served with a grand Christmas dinner of bean soup. The others were discharged to shift for themselves,

Lyceum Work,

The Larenster lyceum, having recently *reorganize i, had a meeting last evening; and at an "open to all" on next Thursday evening, in the Y. M. C. A. hall, Peter Hershey, esq., will answer whether it is possible to create a financial panie like that of 1873 by over production of useless articles. Other referred questions will be answered as follows: "Should the Mermon religion with its

doctrines and practices be suppressed by force?" D. C. Haverstick. "Should building associations pay the present state tax on their loans?" J. D. Pyott. "Explain how congential deaf mutes are taught to read and write," Frank Griest. "Should the law providing for the issue of silver certificates be repealed, as recommended by the president and secretary of the treasury? W P. Compton. W P. Compton. "Should the standing army be increased, as recommended by the secretary of war ?" Benjamin Spindler.

Death of Wm. Stay. William Shay, of West James street, an account of whose poverty we published two days ago, died yesterday. He was a son of William Shay, and was a soldier during the war. He entisted in Company K, Capt. Wm. F. Duncan, 122d Reg't Pa. Vols., on the 2d day of August, 1862, for nine months service. Was honorably dis-charged May 15th, 1863, at Barrisburg. Re-culisted on the 27th of February, 1864, for three years or during the war in Co. K, Ed. Edgerley, capt., 79th Reg't Pa. Vols.; was honorably discharged on the 12th of July, 1865, near Alexandria, Va. The family left by the deceased consist of a wife and five small children, whose wants should be attended to by the charitably disposed people of the city, as they are very poor.

Of the Track.

Last evening between " and 9 o'clock, a a Millersville horse car was rounding the corner of West King and Prince streets, it jumped the track. The driver did not stop and "jack" it upon the track but drove on over the rough street for a considerable distance until the disrailed car again took the track. Owing to the jolt ing over the rough stones a gentleman passanger accidentally thrust his elbow through one of the ear windows, and a lady passenger had her cheek and ear cut by the broken glass. Perhaps time and expense would be saved and passengers escape injury by more careful driving.

Discharged on Habeas Carpus. Gotlieb Young and Henry Young, of Columbia, who were arrested by Officer Columbia, who were arrested by Officer Pyle for train jumping, and committed to the county jail by Alderman McConomy, were discharged on suit of habeas corpus yesterday afternoon, by Judge Patterson.

Officer Pyle, who made the arrests and was prosecutor in the case, complains that he was not notified of the writ of habeas corpus, as he should have been, or he would have objected to the discharge of the prisoners, as both of them had been sentenced once before for a similar offence, and were let off on habeas corpus.

Violent Assault and Dattery. Lewis Smith, of Dillerville, appeared all battered and bruised before Alderman Samson this morning and made complaint of assault and battery against Michael Bradley, of the same village. According to Smith's story he and Bradley occupy the same boarding house. Last evening while Smith was sitting beside the stove Bradley came in and "all for nothing" commenced beating and kicking Smith in the most terrible manner. The alderman issued a warrant for Bradley's arrest.

A Large Wedding. On Wednesday night Lewis Teller, a son of Solomon Teller, of the firm of Teller

& Bro's, the well-known tobacco dealers, was married to Miss Oppenheimer in Philadelphia. The ceremony was per-formed in Mechanics' hall, and the wedding was attended by hundreds of persons, including a number of the groom's friends in this city.

Presentation.

The students of the Lancaster commer cial college this morning, in a body, presented to Messrs. Weidler & Mosser, their teachers, each a large turkey as a testimonial of the high regard in which they are held by them. The presentation speech was made by Howard T. Hays, one of the students, in a pleasing manner, to which the teachers feelingly responded, thanking their students for the generous gifts.

The Volunteer Firemen, Alderman Barr returned from Norris-

town yesterday, where he attended a meeting of the executive committee of the State Firemen's association. The sub-committec, consisting of Major W. H. Horn, of Pottsville, B. B. McCool, of Pottsville, and J. K. Barr, of this city, will meet at the latter's office on Wednesday next.

Admitted to the Car.

Wm. P. Compton, son of the late Geo. Compton, of Churchtown, was admitted to the bar in court this morning, on mo- kinds, tion of J. W. Johnson, esq., with whom he studied. He passed a very good examination last evening.

'Skin Diseases'' Cured by Dr. Swayne's Ointment. What is more distressing than an obstinate skin disease, and why persons should suffer a single hour when they have a sure cure in "Swayne's Ointment" is past our comprehenion. The worst cases of tetter, itch, salt rheum, or that annoying complaint, itching piles, yield to its wonderful all-healing qualities. Pimples on the face and blotches on the skin are removed by using this healing ointment. Perfectly safe and harmless, even on the most tender infant. Itching Piles-Symptoms are moisture, intense itching, particu-larly at night after getting warm in bed; other parts are sometimes affected. Swayne's Ointment pleasant, sure cure. ping seems to conduce toward diminution in the number of ladies present at the Guiteau trial. Immediately upon the opening of court Guiteau made a speech declaring that while Scoville was a good enough real estate lawyer he was not a good criminal lawyer and was spoiling his He then asked that Charles H. of Chicago, be permitted to take charge, Scoville also requested that Reed be admitted as an associate counsel. After some discussion Mr. Reed was recognized as associate counsel. Guiteau came in here with a characteristic outburst, during which he said that there was too much rubbish being introduced into the case. He thought that if he could not get justice from the court Ged would protect him by "remov-ing" a juror. Mr. Scoville explained that the letter of yesterday from Dr. Spitzka,

was written to him and not to Guiteau. William A. Edward, of Brooklyn, testified to hearing the prisoner say he would some day kill some big man as Booth had Under cross-examination witness acknowledged this made no impression on him, because Guiteau said so many queer things, and witness believed the prisoner would be the last man in the world to jeopardize his own security. Guiteau thought witness ought to be

kicked off the stand. Dr. Spence H. Talcott, of Middletown. N. Y., who has treated over one thousand eases of insanity, considered the prisoner

Some of the Defects in Philadelphia's Places

PHILADELPHIA, Dec. 23.—A report was submitted by the chief of police and fire marshal to the mayor this afternoon, containing the results of their recent inspection of the places of amusement in the city, with a view of ascertaining the safeguards in each place in case of fire. The defects in case of fire in each establishment are noted, the most important of them being that in many instances the doors through which the audience pass open inwardly instead of outwardly, that many of the gas jets in the dressing rooms and in the flies are unprotected by screens, and that many of the main aisles of the auditorium are of insufficient width to permit easy exit. Licenses will not be issued in the event of failure to remedy
