## "OCCASION EXTRAORDINAIRE."

So the French people put it, and the great stores, "The Louvre" and "Bon Marche "every few weeks have a rousing sale o "occasion." We don't like the system, but try to make every day equal
there are special reasons that warrant stepping out from our usual course. Such a time has come to Oak Hall, and we have to announce

## A GRAND "OCCASION."

1881, so far, has been the largest year's business OAK HALL HAS EVER DONE.

## AND NOW

 ng business in the United States.
There is not a day to loze, as

## GO INTO EFFECT IMMEDIATELY

Years ago we were overlonded with poods, and we frankly said so. We have no secrets about our business. We take the people our confidence and ask for a return of corfididence, AND GET H, beause the people find out exactly what ean be depended on
We sold out long ago all our surplus stock. Five furniture cars would carry all the old stock now in our double six-story building, and while we do so large a business and sizes break up so rapidly as they do, we always expect to have just as much a we have to-day

## NOW THEN, THIS IS TO SAY

## NEW GOODS OF SPLENDID CHARACTER,

And made for the purpose of driving up and along the sales to far outdo the best endeavors of former years.
SUMMING UP THE INDUCEMENTS, THEY ARE

1. A stock of goods, most of it "just born," clean and beautiful, arriving daily from our workrooms.
2. A "right smart" deduction from usual prices, "something that can be seen."
3. Opportunity given to take a purchase away,"compare it, bring it back and get money returned.
4. Wanamaker \& Brown's stamp on the quality
5. A "right smart " deduction from usual prices, "something that can be seen."
6. Opportunity given to take a purchase away, compare it, bring it back and get money returned.
7. Wanamaker \& Brown's stamp on the quality and make of the goods as the guarantee of value. Of course
THERE ARE SOME BETTER bARGAINS THAN OTHERS,
Nor is all our stock marked down, but
THIS IS EXACTLY HOW IT IS.

It would be very easy for any one to mark up prices at the beginning of a season and then go down to what would be on paper large reductions, but it must be borne in mind our system of business, taking back goods and returning money when our custome can come back in ten minutes and receive the
guard to have our prices the very lowest.

## THIS REDDUC'TION,

Therefore, must be manifest to those who will think a moment, or look the goods over and compare elsewhere. We have the
(perhaps) pardonable pride in our business to push it berond anthing (perhaps) pardonable pride in our
our friends in city and county give
Wide and Full Notice of this "Great Occasion.
