IN THE HALL; WAY.

For the INTELLIGENCER

She held my coat with woman's grace And when I turned to see her face, And thank her for ber kindness, Her two deep eyes, so tender kind, Looked all my boasted prudence blind. And in my carcless blindness, My proud-held head was down ward bent And while I toward the maiden leant, I kissed her, in the hall-way! Ah ! Heaven bless thee, little maid, Thy virgin lips 'gainst mine thus laid M. Shall be remembered alway !

. Facts and Fancy.

The Way of the World. A new law in Kansas forbids any person to marry within six months after pro-

curing a divorce. A woman caused a commotion at Wedena, Minn., by wildly chasing a big dog "Stop him! he has swaland crying : lowed a \$20 bill." An obliging butcher promptly caught the beast, killed him and recovered the money.

What might be called a reformed train robbery happened lately on the Missouri Pacific railway. The engineer on seeing a danger signal stopped the train, but catching sight of masked men with revolvers, he put on steam and got away with his train before the robbers could get aboard. To add to this four of the unsuccessful party have been arrested.

The freshmen of Brown university, in Providence, ordered their annual dinner of a caterer and prepared to have an elaborately good time, including speeches and songs. At the time appointed they marched in procession to the dining hall, banners flying and appetites sharp. They found the tables littered with scant remnants of the fest, which had been eaten by the sophomores who had imposed themselves on the caterer and induced him to get the dinner ready an hour earlier.

earlier. There is at least one man in Maino who might make his fortune in Wall street. Several years ago a Baptist society was formed near Brunswick and a church edi-fice was purchased and moved to a conven-ent site. The man employed to perform the work of removal, whether one of the deacons or not does not appear, bought a number of pews at a small price, got up a

WANAMAKER & BROWN, OAK HALL.

"OCCASION EXTRAORDINAIRE."

So the French people put it, and the great stores, "The Louvre" and "Bon Marche" every few weeks have a rousing sale or occasion." We don't like the system, but try to make every day equally good for buyers to come to us. Yet now and again there are special reasons that warrant stepping out from our usual course.

Such a time has come to Oak Hall, and we have to announce

A GRAND "OCCASION."

1881, so far, has been the largest year's business OAK HALL HAS EVER DONE.

Mr. John Wanamaker has this season watched over personally and supervised the old house in a measure like in old times

AND NOW

desires to say he has determined to put the annual sales far beyond anything ever reached before in the annals of the Retail Clothing business in the United States.

There is not a day to lose, as the season is passing. We have therefore prepared all the inducements we can offer and they

GO INTO EFFECT IMMEDIATELY.

Years ago we were overloaded with goods, and we frankly said so. We have no secrets about our business. We take the people into our confidence and ask for a return of confidence, AND GET IF, because the people find out exactly what can be depended on.

We sold out long ago all our surplus stock. Five furniture cars would carry all the old stock now in our double six-story building, and while we do so large a business and sizes break up so rapidly as they do, we always expect to have just as much as we have to-day.

NOW THEN, THIS IS TO SAY

That this "Occasion" is based on the cleanest, newest, best stock we can possibly get together.

NEW GOODS OF SPLENDID CHARACTER,

And made for the purpose of driving up and along the sales to far outdo the best endeavors of former years.

SUMMING UP THE INDUCEMENTS, THEY ARE

- A stock of goods, most of it "just born," clean and beautiful, arriving daily from our workrooms. A "right smart" deduction from usual prices, "something that can be seen."
- 2. Opportunity given to take a purchase away, compare it, bring it back and get money returned.
- 4. Wanamaker & Brown's stamp on the quality and make of the goods as the guarantee of value. Of course

THERE ARE SOME BETTER BARGAINS THAN OTHERS,

Nor is all our stock marked down, but

THIS IS EXACTLY HOW IT IS.

Cut out the lists and walk into OAK HALL and have a look.

It would be very easy for any one to mark up prices at the beginning of a season and then go down to what would be on paper large reductions, but it must be borne in mind our system of business, taking back goods and returning money when our customer can come back in ten minutes and receive the money back after being at another store, or weeks after purchase, keeps us on our

guard to have our prices the very lowest.

THIS REDUCTION,

Therefore, must be manifest to those who will think a moment, or look the goods over and compare elsewhere. We have the (perhaps) pardonable pride in our business to push it beyond anything ever done before, and take this method to do it. Let all our friends in city and county give
