PAREWELL NOTICE.

Port. GREENE takes this opportunity to let his numerous friends and patrons know that in a lew months he will establish offices in Washington, D. C., and hence would suggest to the afflicted, the chronic cases of disease, to test OMNIPATHY before it is too late. Dr. Greene has treated over 3,000 patients since January 1st, 1880, made up largely from those turned away as incurable by other M. D.s. Over 1,500 deaths have occurred under others' practices, and not a half-dozen using his remedies. Most of the 1,500 have died prematurely. Physicians have lost their wives, brothers and sons, and druggists/their wives and children during this time. Over 1,000 persons have been cured, and all benefited, by his methods, with a few exceptions, and the citizens will bear him witness that he has never guaranteed to cure any one or forfeit \$1 or \$1,000; that he has him witness that he has never guaranteed to cure any one or forfeit \$1 or \$1,000; that he has not thrust his pictured face into their houses or on the fences, in the disgusting Pinkham style, so common to quack venders of nostrums. His claim is simply to cure all the various ills of mankind by external applications of remedials, and that he does not make a drug shop of the stomach, and he will before leaving publish a large pamphlet containing hundreds of rame s of persons cured in this city and county, many of them very extraordinary. A banker's wife cured of sick headache of over thirty five years, and her glasses removed, reading and sewing with natural vision. Mr. Sutter, of 329 Middle street, cured of 5 years terrible annoyance of dyspepsm, in one day. Emilente Fitsot two transparences.

vision. Mr. Sutter, of 329 Middle street, cured of 5 years terrible annoyance of dyspepsia, in one day. Epileptic Fits of twenty years cured in one week. Tumors, Cancérs and Cataracts removed without any pain or use of the knife. Axioms, Wretched-looking countenances do not cure disease. A regular graduate can become a mountebank. A regular practitioner and surgeon cannot (at the same time) be a special-ist. Certified cures of difficult cases make converts of the incredulous. Consultations and examinations free. Catarrh cured for 50 cents. The remedy sent to anyone on receipt of 50 cents in stamps.—DR. CHAS. A. GREENE, 146 East King street. MWF&S
