RESCUED FROM DEATH

The following statement of William J Cough lin, of Somerville, Alass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half collar. I expended over a hundred dollars in doctors and med icine. I was so far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of Dr. WM. HALL'S BALSAM POR THE LUNGS. I laughed at my friends, thinking that my case was mourable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and to day I feel in better spirits than I have the past

"I write this hoping you will publish &, 5 that everyone afflicted with Diseased Lungs will be induced to take Dr. Wm. Hall's Balsam for the Lungs, and be convinced that consumption can be cured. I have taken two bottles and can positively say that it has done more good than all other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold in Lancaster at Cochran's Drug Store, 137 and 139 North Queen 1v28-1vdeodTh&w2
