COLUMBIA NEWS.

OUR REGULAR CORRESPONDENCE

Frederick Warde in "Virginius" to-night.

Three tramps in the lockup last night.

Water pipe on Third street burst last evening.

Nearly all of the ice is off the river, as that body of water is rising.

Nothing more is heard about the park. Will that die out.

The defunct Elocution club meets at Purple's this evening to have a pleasant time.

In the Trinity Reformed church next Saturday evening, Rev. Sheaffer will deliver a lecture

The programme of the Workers' association at the Trinity Reformed church last evening was varied from those formerly given. The change was acceptable.

Again we are to have Ford's most excellent comic opera troupe. They will appear next Friday evening in "Billee Taylor" under the management and for the benefit of the G. A. R.

Two ago days some person or persons entered the office of Dr. J. K. Lincaweaver and abstracted a pocket case of instruments which he had left lying on a table.

Columbia is ahead. We have an æsthetic sign, belonging to A. R. Hogendobler, which is surrounded by 2's, meaning, of caurse, that his store is "too awfully too too."

The window of Beiter's book store contains a beautiful picture of President Garfield and family. It is in color and every picture is perfect.

Mr. John McCullough, of the Philadelphia conference, will preach in the M. E. church next Sunday morning. In the evening the anniversary of the Women's Foreign Missionary society will be celebrated. The church is now holding revival meetings which are meeting with considerable success.

Foot Smashed on the P. R. R.

Mr. Augustus L. Bertz, of Harrisburg, a brakeman on the Pennsylvania railroad, had his right foot mashed yesterday about 3 p. m., at Chickies. His engine, No. 854, was shifting a car at the siding while he tended the switch. He either did not see the car coming towards him or it was too late to get clear of the track, when he was struck slipped and fell, a wheel passing over his right ankle. Doctors Craig and Lincaweaver were telegraphed for and went up. After dressing the injured member Bertz was sent to his home in Harrisburg. It is not known whether it will have to be amputated or not.

False Report.

The report that robbers had attempted to force an entrance into the house of Wm. B. Given, on Chestnut street, last night, and that they had been scared away by the ringing of the alarm bells, which are in every part of the house, is untrue. The rumor arose from the fact of Mr. Given's absence in Philadelphia and that no male folks were in the house. Neither there was, but that mistake has been rectified, and during Mr. Given's absence plenty of the stronger sex will occupy a portion of the house.

Discharged.

Mr. John Kerrigan, of Columbia, and who was the flagman of the wreck that occurred at Christiana some time ago, has been discharged from the P. R. R. service. On Sunday night he was "called" to go down the road, and upon reaching the office at the west yard, found another man in his place. His conductor did not know what had happened and sent him to find out. He did so and was told that he was discharged and would never again be replaced on the P. R. R.

A Slight Wreck.

No. 1,045 east bound, "played out," between Shoch's and Marietta this morning about 7:20 o'clock. No. 214, just following 1045, the flange of the first truck wheel broke, throwing the engine and tank on the track, blocking both tracks about an hour and a half. The Columbia wreckers cleared the wreck.

Little Locals.

P. R. R. pay car paying off.—Three inches of snow last night.—Picture store will open across from the opera house.—Miss Catherine Ailison, of Washington, died last night.—P. M. J. A. Slade last night installed the officers of Riverside lodge No. 503, A. Y. M.; Wrightsville and some other Columbians helped the work.—Louis Filbert's Christmas tree, admired by hundreds, was taken down last evening.

Officers Elected.

The following officers were elected last Sunday afternoon at the Salome chapel: Supt., Col. Wm. McClure; Supt. infant department, Mrs. Geo. Crane; Sec'y and Treas., Mr. Chas. H. Pfahler; Chorister, Major J. W. Yocum.

Amusements.

"*Patience.*"—To-morrow evening Chas. E. Ford's comic opera company will sing "Patience" in Fulton opera house, and seats are selling like hot cakes. That prince of funny fellows, George W. Denham, will be *Bunthorne*. Miss Madeleine Lucette, the gifted young soprano, will sing the title role, John Anweg is in the cast, and a thoroughly pleasing presentation of Gilbert and Sullivan's delicious work is anticipated.

Oliver Doud Byron.—Thursday evening this well-known actor, at the head of his own selected company, will appear in the realistic drama, "Across the Continent." The piece is one abounding in thrilling stage effects and is imbued with strong melodramatic interest. Mr. Byron is too well-known to require introduction.

"*Twelve Jolly Bachelors.*"—On Friday evening John A. Stevens's company will sing the late operatic success of "The Twelve Jolly Bachelors," which has been produced with great favor in the cities of New York, Boston and Philadelphia. Misses Jeannie Winston and Amy Gordon, who are both popular favorites, and the former of whom was long Mr. Mahn's leading soprano, head the company, which comprises thirty voices.

Only Two Bottles.

Messrs. Johnston, Holloway & Co., wholesale druggists of Philadelphia, Pa., report that some time ago a gentleman handed them a dollar, with a request to send a good catarrh cure to two army officers in Arizona. Messrs. Ely Bros., Druggists, Oswego, N. Y.—A few days ago I saw a lady who had used your Cream Balm for Catarrh, and had found more relief in one bottle than from all other remedies she had tried. Quinine and Arsenic

Form the basis of many of the Ague remedies in the market, and are the last resort of physicians and people who know no better medicine to employ, for this distressing complaint. The effects of either of these drugs are destructive to the system, producing headache, intestinal disorders, vertigo, dizziness, ringing in the ears, and depression of the constitutional health. Ayer's Ague Cure is a vegetable discovery, containing neither quinine, arsenic, nor any deleterious ingredient, and is an infallible and rapid cure for every form of Fever and Ague. Its effects are permanent and certain, and no injury can result from its use. Besides being a positive cure for Fever and Ague in all its forms, it is also a superior remedy for Liver Complaints. It is an excellent tonic and preventive, as well as cure, of all complaints peculiar to malarious, marshy and miasmatic districts. By direct action on the Liver and biliary apparatus, it stimulates the system to a vigorous, healthy condition. For sale by all dealers. jl3-1wdeod&w

Blanche called on Kate nother day and found her once more blithe and gay, her face as radiant, skin as fair, as any maiden's anywhere. RESCUED FROM DEATH

The following statement of William J Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half collar. I expended over a hundred dollars in doctors and medicine. I was so far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of Dr. Wm. Hall's Balsam for the Lungs. I laughed at my friends, thinking that my case was incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and today I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that everyone afflicted with Diseased Lungs will be induced to take Dr. Wm. Hall's Balsam for the Lungs, and be convinced that consumption can be cured. I have taken two bottles and can positively say that it has done more good than all other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold in Lancaster at Cochran's Drug Store, 137 and 139 North Queen stre iv28-1ydeodTh&w2

FAREWELL NOTICE.

DR. GREENE takes this opportunity to let his numerous friends and patrons know that in a few months he will establish offices in Washington, D. C., and hence would suggest to the afflicted, the chronic cases of disease, to test OMNIPATHY before it is too late. Dr. Greene has treated over 3,000 patients since January 1st, 1880, made up largely from those turned away as incurable by other M. D.s, over 1,500 deaths have occurred under others' practices, and not a half-dozen using his remedies. Most of the 1,500 have died prematurely. Physicians have lost their wives, brothers and sons, and druggists their wives and children during this time. Over 1,000 persons have been cured, and all benefited, by his methods, with few exceptions. His claim is simply to cure all the various ills of mankind by external applications of remedials, and that he does not make a drug shop of the stomach, and he will before leaving publish a large pamphlet containing hundreds of names of persons cured in this city and county, many of them very prominent. A banker's wife cured of sick headache of over thirty five years, and her glasses removed, reading and sewing with natural vision. Mr. Sutter, of 329 Middle street, cured of 5 years terrible annoyance of dyspepsia, in one day. Epileptic Fits of twenty years cured in one week. Tumors, Cancers and Cataracts removed without any pain or use of the knife. SMALLPOX! this frightful disease is all around us, and having had a deal of experience in *properly* vaccinating with *animal virus*, which is a sure preventive of this loathesome affliction, Dr. Greene will vaccinate anyone who calls upon him in the most scientific (and hence sure) manner. Consultations FREE. Catarrh cured for 50 cents. The remedy sent to anyone on receipt of 50 cents in stamps.
