OUR REGULAR CORRESPONDENCE This evening after their work is finished, Mr. John Fendrich will take all of his employees, numbering 50 or 60 men and women, and give them a banquet at Odd Fellows hall, to be provided by the managers of the Presbyterian festival, now being held. Mr. Fendrich foots the bill. This is grand news, but just like the gentleman. When he thinks his workmen need a raise in their wages, and that they justify it, he immediately makes it. If our many tobacco dealers and other persons who engage the services of a large number of persons would look to their interests a little more, they would gain their love and respect as Mr. Fendrich has.

The house of Dr. Ammon was packed last evening on the occasion of a full dress party. RESCUED FROM DEATH

Jan20-3mdTTh&F&w

The following statement of William J Cough lin, of Somerville, Jass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital, While there the doctors said I had a hole in my left lung as big as a half collar. I expended over a hundred dollars in doctors and medicine. I was so far gone at one time a report went around timt I was dead. I gave up hope, but a friend told me of Dr. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking that my case was meurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and today I feel in better spirits than I have the past

three years. "I write this hoping you will publish it, so that everyone afflicted with Diseased Lungs will be induced to take Dr. Wm. Hall's Balsam for the Lungs, and be convinced that consumption can be cured. I have taken two bottles and can positively say that it has done more good than all other medicines I have most entirely disappeared and I shall soon be able to go to work."
