

LANCASTER INTELLIGENCER.

FRIDAY EVENING, JAN. 20, 1882.

WILD WEATHER OUTSIDE.

Wild weather outside where the brave ships go. And hence from all quarters the four winds blow.

With chains beneath them as black as hell. The water frolic in Titan play.

The mariner reeled at the sight of death. Hints at the storm, though the deathly breath.

Alone, the gray, the drench of the bitter rain. How bright the picture that rises plain?
