The library committee reported verbally. There are 130 subscribers to the library to date, and the number is still increasing. The new catalogues are in the hands of the among the subscribers-their publication having been delayed by an accident.

The building committee reported that they have paid Cramer & Paulis, contractors, in full for erecting the Fifth street school building; have paid Pfahler & Co. for beater, and have settled and paid all other ciaims for paving, fencing and filling yard. Would ask to be discharged. Their report was received and the committee discharged.

The thanks of the board were tendered the committee for their faithful discharge of their arduous du ies

The janitor reported that some pasms had been breaking windows in the Cherry street building. A reward of \$10 was offered for their apprehension, or the de tection of any persons trying to injure any property of the Columbia school district. Bills to the amount of \$158.09 were read. approved and ordered to be paid.

Mr. Zeamer offered the following reso lution which was ananimously adopted: WHERAS. There remains in the hands of the Columbia school district a balance of \$800.32 of the loan negotiated for the erection of the Fifth street school building. Therefore be it

Charles Shillow and wife yesterday celebrated the twenty-fifth anniversary of their marriage, or "silver wedding," by inviting a host of their friends and relatives, and serving a splendid dinner. In the evening the band serenaded the couple and also came in to partake of the refreshments. A number of handsome

silver presents were given. The Mite society of the E. E. Lutherau church, held at Rev. Wm. P. Eyans' last evening, was poorly attended, on account of which refreshments were left over, and the society will again meet this evening at the

same place to dispose of them.

After the school board meeting was over last evening, the members adjourned to Gable's oyster saloon to partake of a supper of oysters.

Frank Murry celebrated his 50th birthday yesterday. The band was invited to be present, and a bountiful repast had been provided for them.

" MULDOON'S PICNIC."

Nobody Disappointed Except Those Who Went to it. Last evening Hyde & Bohman's specialty

company, as it is called, appeared in the opera house to an audience which did not ompel the manager to take the paper from the wall nor have the curbstones cushioned in front of the building. The programme included a number of specialties, the best of which was the singing of the Monumental quartet. For an afterpiece the party attempted to give "Muldoon's Picnic" with Johnny Gilbert and Johnny Hart as Mul-doon and Mulcahey. But it was a bad attempt. Both of these gentlemen have been negro comedians (and good ones too) word that they were vaccinated and could not come.

Hyde & Behman are excellent managers but they do not know how to please the public when they give "Muldoon's Picnic" into the hands of negro comedians who are expected to make Irish comedians of themselves They have a number of troupes on the road and barring this one

Why He Will Be Re-Elected.

Lancaster cor Manheim Sentinel, Rep. The Democratic primary election of this city was held last Saturday evening, when John T. MacGonigle received the nomination for mayor. As he is the present incumbent, and has been tried and not found wanting, there is a reasonable hope among the party that he will be re-elected. The Repub lican nomince is Wm. D. Stauffer; and although an excellent man, we do not think his chances are as good as the Democratic nominee's from the fact that the latter will not only receive the full dence and esteem.

Spiritualism.-A "religious illustrated les ture" is advertised to take place in Fuiton opera house on Sunday evening, when the celebrated medium Mi s Annie Eva Fay will produce some of those startling manifestations and materializations of alleged super natural power that have astonished, amused and terrifled people according to their various bent of mind. Miss Fay calls it spiritualism and there does not seem to be much room to doubt the success which the young lady, who by the way is represented to be a remarkably pretty and attractive person, has met in her dealings with the inhabitants of the pale realms of shade. The largest theatres and opera houses of Europe and America have been filled for the past three years with fashlonable and cultured audiences to see the per plexing performances of this young woman in which it is stated flowers are brought and passed to the audience by hands plainly seeu faces and forms are shown; friends recognized; musical instruments floated in the air. RESCUED FROM DEATH

The following statement of William J Coughlin, of Somerville, Jass., is so remarkable that cils a tax of 75 cents on \$100. The present | we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in ed over a hundred dollars in doctors and medicine. I was so far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of Dr. WM. HALL'S BALSAM ing that my case was incurable, but I got a bottle to satisfy them, when to my surprise My hone, once dead, began to revive, and today I feel in better spirits than I have the past
