Nothing of importance in any of the churches. All had large congregations, On Saturday afternoon, Mr. Frank Murry, employed at Bachman's planing mill, in taking a piece of lumber from his shoulder bent over farther than was necessary and sprained his back and side. The four tramps arrested for drunken and

disorderly conduct at Donegal furnace at Watts were brought to Colambia in wagons and taken before Snuire Grier, who committed three of them for thirty days, but as one of them had behaved in an orderly manner while under arrest he only received fifteen days. One of them would not walk at all and had to be hauled to the lockup in a wagon. Considerable amusement was made by him, for after being put in the wagon he winked at the crowd. They were taken to jail in the evening train. Rodenhouser and Fisher

BALTIMORE, Md., Feb. 13 .- Five track men were killed about noon to-day in the tunnel of the Baltimore & Potomac road near the Union Depot in this city by a Eleven Hundred Thoupeomotive drawing a train of the Western Maryland railroad. The men named David Grier, Timothy Dollars, securely invested. For a policy in this old and well-established company call on Kennedy, Edward Birmingham, James Irvin and PatrickMeGoff, stepped from one track to get out of the way of a passenger train to the adjoining track and were d3M.WASR killed by another passenger train. STRUCK WITH A STONE. A Man's Fatal Rago at Being Snowballed. METZGER & HAUGHMAN,

PHILADELPHIA, Feb. 13 .- An inquest was held to day on Geo. W. Darvick, aged 15 years, who died on Saturday from injuries received about ten days ago by being struck on the bead with a stone by John Schowthoffer. The deceased, with other boys, was engaged in snowballing. Schowthoffer had been struck with a snowball and had warned the boys, when being struck a second time he threw the stone that killed Darvick. The jury returned a verdict in accordance with these facts and Schowthoffer was committed to await the

action of the district attorney.

#### Thera's Many a Slip.

An eloping couple were being driven at furious pace through Louisville, Ky., the other day to eatch a train to Chicago and happiness when a mischievous urchin knocked off the driver's hat with a anowball. This interruption caused such a loss of, time that when a little later, the lovers ran breathlessly into the station, the train had gone, and before the could devise another plan of escape the young woman's father and mother appeared and carried off their daughter. The youngster probably builded better than he knew when he constructed the snowball which caused so much temporary woe, and possibly he may receive a legacy some day from one or both of the ardent fugitives.
