CLOTHING.

TALK:

Christmas has come and gone. The old year has kissed the "good bye" to "stand drooped

back into the past, taking its place among the most eventful years of history.

The holidays are over. The gifts given have ceased their giving, and the time when any

thing and everything would sell so readily has gone.

The "old fog" merchants are preparing to wear out their cushions and trousers by

sitting themselves down during the months of January, February and March, to await the

coming of "SPRING TRADE."

The "WIDE AWAKE" MERCHANT, the "Man-Who-Nevers-Had-a-Dull-Season," the

man who has learned that trade can be made in the usually dull months by working for it

is launching forth some new idea, some attraction which will draw the people; and accordingly

keep the trade a "booming" and give his sleepy neighbors something to talk about and

worry over.

Can any person be so obstinately blind as not to see that the "EVER-BUSY MERCHANT"

is the one who REDUCES HIS GOODS TO COST in the dull season rather than store them

away for the next season, whether his neighbor likes it or not, and such a store is being

sought after by the swarming thousands of Lancaster city's and county's purchasers.

AND NOW WE HAVE OUR STORE ILLUMINATED BY THE ELECTRIC LIGHT

by which every thing that can be seen as well by night as by day.

I therefore call your attention that every garment has been MARKED DOWN TO COST

FOR THE NEXT THIRTY DAYS, whereby you will be enabled to buy an

OVERCOAT OR SUIT OF CLOTHES AT A VERY LOW PRICE

Having still a good assortment on hand to select from.
