Interest Pennsylvanians. A meeting has been held at West Grove Chester county, for the purpose of discussing the plausibility of erecting a national bank in that town. The proposed capital stock is \$50,000, and no one was permitted to subscribe for more than 20 shares at a par value of \$1,000.

Johnny Kaye, an eight-year-old son of Dr. John Kaye, of East Coventry, Chester county, found a bottle of medicine on the table. The child filled a glass and drank freely of the mixture. The boy was immediately taken sick, and writhed in great

agony for two days, when he died.

A mass meeting of the citizens of Lebauon county will be held in the courthouse at Lebanon on Saturday afternoon, for the purpose of investigating the county account. Speakers will be present to ad-dress the meeting in English and German. A vein of iron ore has been struck in

The new station of the Pennsylvania railroad company at Harrisburg is to be modelled after a railroad station that Col. Thomas A. Scott saw while iu Nice. It beautifully laid out and filled with fountains and statuary and shrubbery. The plans are in the hands of the board of di rectors. The site has not been finally decided upon, but it is expected that it will be in about a week, when the work of its construction will begin.

Heck's flouring mills, situated along the Conodogwinet creek at what is known as Oyster's dam, was destroyed by fire, together with a large quantity of grain and flouo. The mill was a large frame structure, rather dilapidated in appearance, having been built many years ago.

At Norristown a train struck and killed Michael O'Keefe, a short distance above the station in Manayunk. 'His skull was crushed and his left leg broken, from which injuries he died in a few minutes after he was carried to the station. "Lower rents" is the song of the Brad-

A new penny daily, it is rumored, will appear in Harrisburg about the first of May, and will be called the Star.

### Why They Smile. Clearfield Republican.

We notice by the Lancaster and York county exchanges that the farmers and other parties who contemplated putting up some new buildings this summer have abandoned the idea, because the price of lumber is too high. This may be a drawback down there, but it makes our woods men up here smile.

Lancaster's Big Time. Alientown Item.

The Republican primary elections in Lancaster county, to nominate a county ticket by the "Crawford county system," will take place on Saturday, April 29th. This election day is a biggerthing in Lancaster county than the regular fall election, but as a fair and honest way of making nominations, it is not much of a
