

MATERIALIZATION.

EMBRACING A FEMALE SPIRIT FORM. Mr. Hull, the Medium in the Ghost's Clothes...

You may quote me as saying that I saw the pretended materializing medium, Mrs. Hull, exposed as a fraud on Sunday last...

The séance was held at the house of a lady who was not suspected of any collusion. The spectators sat in a front parlor...

This made me suspicious from the first. I was satisfied not only that the form on the sofa was not that of Mrs. Hull, but also distinctly recognized Mrs. Hull's features...

Finally one of the spirits beckoned to Dr. Collins, who was sitting in the most distant part of the room. What followed the appearance of Dr. Collins is related by Mr. Sannis as follows:

"You don't understand the laws governing these things," shouted Mr. Hull, as he peeped the doctor.

"You don't understand the laws governing these things," shouted Mr. Hull, as he peeped the doctor.

A Vigorous Protest from a Republican. "Topics of the times," Century Magazine.

The importance of the Mahone movement lies in the fact that it will probably be followed by other movements of a similar kind in other parts of the South.

Such movements, if they are allowed to remain local, can do little harm, and may do much good if they fall, as hands and there they must fall, into the hands of men with something more than mere selfish interests in them.

It is hard to believe that any administration which avows itself in favor of civil service reform can lend itself to a scheme so inconsistent with all professional reform as this.

A good Baptist clergyman of Bergen, N. Y., during a conference with his wife, who was suffering from kidney trouble, neuralgia, and dizziness...

It has been proved by the most reliable testimony that Thomas' Electric Oil is an entire success in curing the most inveterate cases of rheumatism, neuralgia, lame back and wounds of every description.

Hostetter's Stomach Bitters is the great household medicine of the American people, and is taken everywhere as a safeguard against epidemic and endemic diseases.
