Dead Baby Found. Yesterday afternoon two boys named Harmon and Scott found the nude dead body of a girl baby lying on the shore of the Susquehanna river at Wrightsville at a point known as the "lime shute."

F. McGee took the remains in charge. They were fearfully mutilated and decomposed, having probably been in the water eight or ten days.

The coroner ordered an autopsy and Dr. S. G. Channel, after a careful examination of the lungs and brain, found that the body was a "still born."

The mutilation was due to contact with stones on the bed of the stream, from which it is supposed the body had been thrown in the water at some point north. The body was good sized, being 11 inches in length and weighing 8 pounds.

It was found by the Wrightsville constable last evening.

The Easter Service at St. James. The service of St. James church will be very high order. For a number of weeks Prof. Matz has been making every effort to have his boy choir to render the beautiful music of this Easter service perfectly.

Instead of Tom McEvoy, Master W. Marshall will sing all the soprano solos. The programme is as follows:

"Processional hymn," "Hallelujah, Christ is Risen from the Dead," "Te Deum," by Knapp.

Jubilate, by Danks. "They have taken away my Lord," by Steiner.

The children's service will take place at 6 o'clock, when they will sing their Easter carols.

The floral decorations of the church will be unusually fine.

The Fish Dealers Trouble. The fish dealers were notified to day that they could not sell fish in the square any longer as the ordinance prohibits it at this season.

They cannot go to the old fish market, and the question now is, where can they go?

TO SPECIAL NOTICES.

Nobody enjoys the most surroundings if in bad health. There are miserable people about whom a bottle of Parker's Kidney and Liver Pills would do more good than all the doctors they have ever tried. See other column.

Files and Bugs. Files, roaches, ants, bed-bugs, rats, mice, gophers, chipmunks, cleared out by "Rough on Bugs."

A medicine of real merit, prescribed by leading physicians, and universally recommended by those who have used it, as a tonic, is Brown's Iron Bitters.

A Hive of Bees. Burdock Blood Bitters bring back health to the feeble and aged, and restore the blood. Bile, indigestion, constipation, dyspepsia and other bad disorders cured.

Colden's Liebig's Liquid Beef and Tonic. Colden's Liebig's Liquid Beef and Tonic is admirably adapted for females in delicate health. Colden's Liebig's Liquid Beef and Tonic.

Treat Your Teeth. Rather than have them pulled. Let your dentist have all he can. You desire to have your teeth pulled, because you have not used ROZODONT. When properly used, then rub on ROZODONT, and keep them all right for time to come.

Proof Everywhere. If any invalid sick person has the least doubt of the power and efficacy of Hop Bitters to cure them, they can find cases exactly like their own, in their own neighborhood, with the locality and name of the doctor and permanently cured, at a trifling cost—ask your druggist or physician.

AMHERST, MASS., Jan. 11, 1880. I have been very sick over two years. They all gave me up as past cure. I tried the most skillful physicians, but they did not reach the cause. The lungs and heart would all up every night and distress me, and my throat was very bad. I told my children I never should die in peace until I had tried Hop Bitters.
