Dolmans are not new; and yet they are so various, and their aspect depends so much on trimmings, that they are by no means wanting in the appearance of newness. All the lighter purposes with the Hipp escapement." A discussion followed and after which Mr. Robert R. Thurston, professor of mechanical engineering at Steven's Institute of Technology, read a paper on the several efficiencies of the steam engine.

NEW HAVEN, April 19—The work of obtaining a jury to try the Malleys and Blauche Douglass for the murder of Jennie Cramer proceeded slowly this morning; at 11.30 two jurors had been choren and panel exhausted. Fine white goods and embroideries are difficult goods to give news of. Both are continually coming and going. In the former new things are rare; but whatever is new comes hither at once. Embroideries are new all the time. The season brings its new patterns; but, not content with them, we make other combinations; especially leaving out of, and adding to, the designs of the makers.
