FRESH NEWS BRIEFS.

INTELLIGENCE OVER THE WORLD. Tales of Crime, Calamity and Sorr

A fire in Mansfield, Tioga county, on Saturday night destroyed property valued at \$5,000. Colonel Azro J. Dodds, of Cincinnati, an ex-member of Congress, died last

Addie L. Sheffield has been committed at Boston to answer for murdering her

Ludwig Hanswaite, a tailor, aged 56 years, committed suicide yesterday at New York by taking Paris green. A fire in the cigar box manufactory of Jacob Menkell, in Monroe street, New York, yesterday, caused a loss of \$10,000. The residence of Harry Upham, with nearly all of its contents, was destroyed by fire last evening at Vineland, N. J. Loss, about \$5,000.

The fire at New Alexandria, Westmore-

land county, Pa., was got under control after raging over seven hours. About onethird of the town is in ashes. Joseph Knott was caught in a drill press

in Altoona and narrowly escaped death, all his clothing except one boot being stripped from his body. An explosion has occurred in the Black

Horse colliery, Sunderland. Seven persons have been rescued. They were badly burned. Four bodies have been recovered. Thirty-five persons were killed.

A detective belonging to Pinkerton's force and disguised as a tramp, wandering about Mifflin, Schuylkill county, fell in with a young man named Elisha Kringle. The tramp accidentally spoke of Geo. H. Wagner, whose barn, with all the cattle, was burned a short time ago, and who has received numerous threatening Mollie Maguire letters recently. In the course of conversation Kringle told the tramp many things, which caused the detective to have him arrested on the charge of being the leader of the Mollie Maguire gang who have committed many depredations recently. He was terribly bewildered when he found the tramp was a detective.

A very unpleasant account is given by a Brazilian paper of the proceedings of a huge water snake called the "sucuruyu," which is to be found in some of the rivers of Brazil. An accident occurred the other day on the banks of the Rio Arassuahy, owing to the voracity of one of these reptiles. A slave, with some companions, was fishing with a net in the river, when he was suddenly seized by a sucuruyu, and, in spite of his resistance, was dragged under the water in the presence of the horrified spectators. He never appeared again, and no doubt is entertained that he was swallowed by the sucuruyu, who made an effort with his hinder coils to carry off at the same time another of the fishing party. It is the exception for the sucuruyu to attack human beings; but it loses no opportunity of seizing deer, calves, and other quadrupeds when they come to

A negro girl about ten years of age, was killed by a man named Lewis Joyce, in whose house, near Floyd Court House Va., she has been living since the death of her mother. It appears that Joyce heard a rumor that a panther had been seen in the neighborhood of his residence, and on going to bed at night placed an axe by his bedside ready for use should the panther he heard a noise in his room and jumping out of bed he seized the axe and struck at what he supposed was the panther. He was horrified on procuring a light to find that he had cleft the skull of the girl, who was the niece of his wife, killing her instantly. She had been wandering through the house in her sleep.

CLEOPATRA

OR THE-

Queen of Sheba's Beauty. WAS BUT SKIN DEEP.

The renowned Queen of Sheba, with all her royal pomp, magnificent apparel and brilliant retinue, would never have appeared within the presence of the grandest of the monarces of the past, had she not also possessed that which is the crowning glory of the iemale person—a skin unchallenged for its Oriental softness and its transcendental purity. Cleopairs, holding emperors at bay, and ruling empires by her word, had quickly lost her charm and power by one attack of blotches, or of pimples or of horrid tan and freekles.

WOMAN EULES THE WORLD

by her beauty, not less than by her purity of
character, loviiness of disposition and unselfish devotion. Indeed, in the estimation of
perhaps too many men, beauty in a body takes
precedence over every other consideration.
Beauty thus forms an important part of
woman's "working capital," without which
too many (if not bankrupts in what relates
to influence within the circle where they
move), are powerless for great good. Hence
we see not only the propriety but the duty of
every lady preserving with zealous care that
which to her is essential to success and influence and usefulness in life. And, since "beauty
is but skin deep," the utmost care and vigilence are required to guard it against the
many ills that fiesh is heir to. Among the
great and annoying enemies of beauty,

OF EITHER SEX, WOMAN RULES THE WORLD

as well as of comfort, happiness and health, are those pestiferous and horrid skin diseases —tetters, humors, eczema (salt rheum), rough and scaly eruptions, ulcers, pimples and all diseases of the hair and scalp. For the cure of all these, Dr. C. W. Benson, of Baltimore, after years of patient study and investigation devoted to diseases of the skin, at last brought forth his celebrated SKIN CURE, which has already by its marvelous cures, established itself as the great remedy for all diseases of the skin, whatever be their names or character. Its success has been immense and unparalleled. All druggists have it. It is elegantly put up, two bottles in one package, Internal and external treatment. Price, \$1.00. OF EITHER SEX,

EVERYONE PRAISES. Sick headache, nervous headache, neuralgia nervousness, paralysis, dyspepsia, sleeplessness and brain diseases, positively cured by Dr. C. W. Benson's Celery and Chamomile Pills. They contain no opium, quinine or other harmful drug.

Bold by all druggists. Price, 50c. per box, \$1 for two, \$2.50 for six; postage free.—Dr. C. W. Benson, Baltimore, Md.
