THE LEGAL FEES.

WHAT THE OFFICERS DARE CHARGE.

A Table Worth Consulting—An Infallible Guide for Persons Doing Business in the County Offices.

THE INTELLIGENCER has frequently referred to the general and often repeated complaints of persons doing business in the county offices, that they are charged illegal and exorbitant fees. In order that the entire public may know their rights and how to maintain them, we print the fee bill for this county, as enacted in the law of 1878. Any persons doing business in the county offices can consult the following and compare the fees with those charged them. If they are overcharged they have an easy remedy. All the county officers whose fees are regulated by this schedule are required to make a table of their lawful fees and keep it up in a conspicuous place in the office for the inspection of all persons having business with them. It is their duty, too, and that of their deputies, whenever demand for it is made, immediately after receiving any fee or security for payment of them, to deliver a bill of particulars, specifying the several items contained therein and the amount thereof, and to give the party paying such fees a receipt in full thereof, or to indorse on such written security when taking that the same was given for fees, and to sign the indorsement so made.

"It shall and may be lawful for any person to refuse payment of fees to any officer who will not make out a bill of particulars as prescribed by this act, signed by him, if required, and also a receipt or discharge, signed by him, of the fees paid."

"If any officer whatsoever shall fail or neglect to comply with any of the provisions of this act, or shall take greater or other fees than is herein before expressed and limited for any service to be done by him, or if any officer shall charge or demand, take any of the fees herein before ascertained, where the business for such fees are chargeable shall not have been actually done or performed, or if any officer shall charge or demand any fee for any service or services other than those expressly provided for by this act, such officer shall forfeit and pay to the party injured \$300, to be recovered as debts of the same amounts are recoverable."

During the war I was injured in the stomach by a piece of a shell, and have suffered from it ever since. About four ago it crossed my mind to try a medicine which I had seen in a paper, and I bought a bottle of BROWN'S IRON BITTERS. I took it for a few days and I was able to get up and go around and am rapidly recovering.
