Old and Yet New.

On Monday evening at 8 o'clock the young people of Trinity Lutheran church will give another of their delightful Old Folkes' Concerts in the chapel. No pains have been spared to make this entertainment a grand success, since it is to be the last of the season. Both the programme and the presentation will surpass anything of the kind that has been attempted in this city recently, and will even vie with those of ye olden time itself. The charge for admission has been kept at 15 cents.

SPECIAL NOTICES.

Kidney Disease.

Pain, Irritation, Retention, Incontinence, Deposits, Gravel, &c., cured by "Buchupaiba." $1. Depot, John Black.

Mothers Don't Know—How many children are punished for being uncouth, wilful, and indifferent to instructions or rewards, simply because they are out of health! An intelligent lady said of a child of this kind: "Mothers should know that if they would give the little ones moderate doses of Hop Bitters for two or three weeks, the children would be all a parent could desire." myl-2wd&w

Physicians prescribe Colburg's Liebig's Liquid Beef and Tonic Invigorator for the weak, worn and dyspeptic. *Take no other.*

Orpha M. Hodge, Battle Creek, Mich., writes: "I upset a teakettle of boiling hot water on my hand. I at once applied Thomas' Eclectric Oil, and the effect was to immediately allay the pain. I was cured in three days." For sale at H. B. Cochran's Drug Store, 137 North Queen street, Lancaster.

Remarkable for overcoming disease caused by impure water, decaying vegetation, etc., is Brown's Iron Bitters.

Bad breath or teeth' decay—
Will SOZODONT on all we seize,
And swiftly sweep it far away,
Leaving the gums pure, firm and bright,
And the full teeth as ivory white.

Dr. Frazier's Root Bitters.

Frazier's Root Bitters are not a dram-shop whisky beverage, but are strictly medicinal in every sense. They act strongly upon the liver and kidneys, keep the bowels open and regular, make the weak strong, heal the lungs, build up the nervous and cleanse the blood and system of every impurity.

For Dizziness, Rush of Blood to the Head, leading to Apoplexy, Dyspepsia, Fever and Ague, Dropsy, Pimples and Blotches, Scrofulous Humors and Sores, Tetter, Ring Worm, White Swelling, Erysipelas, Sore Eyes and for young men suffering from Weakness or Debility caused from imprudence, and to females in delicate health, Frazier's Root Bitters are especially recommended.

Dr. Frazier: I have used two bottles of your Root Bitters for Dyspepsia, Dizziness, Weakness and Kidney Diseases, and they did me more good than all the doctors and the medicine I ever used. From the first dose I took I began to mend, and I am now in perfect health and feel as well as I ever did. I consider your medicine one of the greatest of blessings.

Blanche called on Kate nother day and found her once more blithe and gay, her face as radiant, skin as fair, as any maiden's anywhere. THIRD EDITION.

SATURDAY EVENING, MAY, 13, 1882.

WASHINGTON NEWS.

A VICTORY FOR WOMEN'S RIGHTS.

The Sixteenth Amendment to be Favorably Reported.

WASHINGTON, May 13.—The Senate select committee on woman suffrage, by a vote of three to two, agreed to day to recommend to the Senate for adoption Senator Lapham's joint resolution proposing the following amendment to the constitution:

Article XVI, Section 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any state on account of sex.

Section 2. The Congress shall have power by appropriate legislation to enforce the provisions of this article.

The vote was as follows: Ayes—Senators Lapham, Blair and Jackson; noes—Senators George and Fair; absent—Senators Anthony and Ferry.

Proceedings in the House.

WASHINGTON, D. C., May 13.—The session of the House to-day was opened with prayer by Rabbi Jacob Voorsanger, of Houston, Texas.

The river and harbor bill was reported and it was ordered printed and recommitted.

The bill to extend the corporate existence of the National Banking associations was taken up and Crapo, (Mass.) proceeded to explain the bill and advocate its passage.

A Sensible Declaration.

WASHINGTON, May 13.—The statement that Henry W. Oliver, jr., of Pittsburgh, will at the unanimous request of the Pennsylvania congresional delegation be placed upon the tariff commission to represent Pennsylvania is authoritatively declared to be untrue, so far as the Democratic members of that delegation are concerned. They have made no such recommendation, nor do they favor the placing on the commission of persons representing special interests.

Witnesses Against the Thieves.

WASHINGTON, May 13.—George Haycock, Wm. C. Burgner, H. C. Withers, A. G. Dunbar, J. H. McDaniel, Thomas Chesnut, F. W. Raymond, Alfred Carson, C. W. Carnell, J. S. Piper, W. B. Yarrish and L. H. Decker, residents of Colorado, Arkansas, Wyoming and Arizona, have appeared before the grand jury and have given testimony as to the Star mail service in the west, and the connection of ex-Senator J. W. Dorsey, M. C. Rerdell, John R. Miner and J. M. Peck therewith.

Mrs. Garfield's Pension.

WASHINGTON, May 13.—Senator Sherman has receivee the following letter:

"CLEVELAND, OHIO, May 8, 1882.

MY DEAR SIR—I have received your note with enclosed notice of the pension granted me for my husband's sake. I am truly mindful of the generous kindness shown to the family of Gen. Garfield, not only by friends but by the national Legislature, and may I ask that you make acknowledgment of this in whatever way and by whatever expression of my gratitude seems to you appropriate.

With sentiments of high regard I remain very truly yours,

LUCRETIA R. GARFIELD

A Shipwreck.

WASHINGTON, May 13.—The signal corps station at Sandy Hook, N. J., reports as follows: "The steamship Nankin, before reported sunk in the Swash channel, seems to have broken in two; can see only fore castle, fore and main masts and stack."

Very Likely Shipherd is Lying.

In regard to Mr. Shipherd's declining to appear before the sub-chmmittee of the House committee on foreign affairs, now in New York, because he had not yet received copies of Senator Blair's testimony. Chairman Williams says. "I mailed the copies of Senator Blair's testimony and I know of no reason why he should not have received them."

SHIPWRECK AT DEAL.

A Coffee-Laden Bark Lost.

NEW YORK, May 13.—The steamer Pliny of the Liverpool, Brazil & River Platte mail steamship company, from Rio Janeiro for New York, this morning ran ashore at Deal beach, N. J., and foundered. Her crew and passengers consisted of forty persons, all of whom were transported from the vessel in safety. Efforts are being made to save the cargo, which consists principally of 25,000 bags of coffee. The surf was very heavy and the Pliny was unable to run out from the shore, as the sea broke over her at intervals and extinguished the fires in the engine room. The crew of the life saving station No. 1, which was disbanded two weeks ago, was notified of the stranding of the vessel, and the crew of 35 men and 17 passengers were saved by means of the life car. The vessel lies high and dry on the beach. The vessel will most probably prove to be a total loss.

TELEGRAPHIC TAPS.

The News By Wire From Home and Abroad.

During a recent storm at Black Creek station, on the Wilmington & Weldon railroad, North Carolina, Mary Smith and child were killed by lightning.

There was an immense demonstration of cow boys at Charleston, Arizona, last night in denunciation of the president's proclamation. Speeches were made and resolutions passed condemning the president and advisers.

Parnell has not applied for police protection. The canvister discovered on the railing of the Lord Mayor's mansion last night was filled with blasting powder.

Sultan Pacha has informed Arabi Bey that if the army insists in deposing the Khedive the Bedouins will enter Cairo. The Khedive evidently has the Bedouins at his back and seems to be master of the position.

Four United States prisoners, in jail at Asheville, for terms of ten, six and three years, have made their escape and have gone to parts unknown.

Senator Ben Hill, of Georgia, is able to sit up and is in better spirits than he has been for a month. Still his physicians do not give him any hope.

A fire early this this morning destroyed the block of seven frame stores on South Washington avenue, Minneapolis, owned by E. B. Moore and E. M. Titlerate; loss, $20,000; insurance, $11,000.

GUITEAU.

Beginning to Hold his Tongue.

WASHINGTON, May 13—Chief Justice Cartler and Judges McArthur, Hagner and James, who heard the arguments in the case of Guiteau this week, were in consultation to-day at the court house. The impression is that the decision will not be made on Monday. Guiteau is reported as in quite good health; but his visitors having been cut off, he is feeling somewhat depressed in spirits. He says but little now and does not refer to his case.

The Peruvian Investigation.

NEW YORK, May 13,—Geo. T. Bliss, of Morton, Bliss & Co., appeared before the congressional sub committee on foreign affairs to-day, and examined the stenographer's report of his testimony, which he pronounced correct. If allowed by his physician, Mr. Robert E. Randall, who is ill, will examine and revise his testimony to-day. The members of the committee will probably leave for Washington to morrow.

MITCHELL FOR WAR.

AGAINST THE STALWART OLIGARCHY.

His Position Clearly Defined—The Irrepressible Conflict at Hand.

Senator Mitchell authorizes the publication of the following dispatch in response to a telegram from Major George W. Merrick, postmaster at Wellsboro, Tioga county, announcing the issuance of a cal for a mass convention, to be held at that place May 20, to endorse the senator's position in regard to the Harrisburg ticket, and predicting an overwhelmning support of that position by the Republicans of Tioga county:

"WASHINGTON, May 13, 1882.—*Major Geo. W. Merrick, Wellsboro, Penn'a.*: Right is mighty and ever triumphant. I have done all for peace, but war is inevitable, not upon men, but upon candidates who have lashed themselves to an unrighteous cause to carry the favor of bossism, machineism and the use of the spoils system to bolster up a Stalwart usurpation. I am against this everywhere and forever. It is a plain, patriotic duty to put down this Stalwart oligarchy at any cost, that true Republicanism and the republic itself may live and thrive. Organize! organize! work and fight to the end!

"[Signed.] JOHN I. MITCHELL."
