RESCUED FROM DEATH. The following statement of William J. Cough lin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our read ers. He says : "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the sum-mer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expend ed over a hundred dollars in doctors and med icines. I was so far gone at one time a repor went around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking my case incurable, but I got a bottle to satisfy them, when to my sur prise and gratification, I commenced to feel better. My hope, once dead, began to revive and to-day I feel in better spirits than I have
