Mr. and Mrs. John Frey spent Sunday in town. Mr. John Handy has returned to his home in Clearfield, Pa. Business on the Pennsylvania railroad

was very dull to-day. Mr. G. S. Landis, of the INTELLIGEN-CER office, was in town to day. A car which was being attached to Columbia local freight on Saturday evening jumped the track. It was caused by bent axle.

This morning engine No 221 jumped the track at the P. R. R. dispatcher's office. It was soon placed on the track again. Officer Fisher arrested a white man on Saturday evening for being drunk and dis-'Squire Grier sent him to the county jail for five days.

The churches were all poorly attended yesterday, excepting the Presbyterian. Many attended the Presbyterian church in the morning expecting to hear the farewell sermon of Mr. McCoy, but it was not given until evening. Two gentlemen were upset in Chiques

riffles, yesterday, while fishing. All the contents of the boats were lost, and the fishermen came near following their property to the bottom of the river. A man made his appearance in town to-day who claimed to be a Pinkerton detec-

tive. He was shown through the lockup by Officer Strawbridge at his own request. As he was partly intoxicated, a short residence there would have been beneficial to A lad of 12 years, who jumped from the Harrisburg accommodation this morning, as it was passing the P. R. R. dispatchers,

turned a couple of somersaults and nearly landed under the fast moving train. He was considerably bruised. Rev. Mr. Meister filled the pulpit of Salem's Lutheran church yesterday. An election for a pastor in the evening resulted

in the choice of Rev. J. G. Abele, of Harrisburg. A Pastor's Farewell. Rev. John McCoy preached his farewell sermon in the 4th street Presbyterian church last evening. The retiring minister and many of his congregation were much affected. It will be a difficult matter to

The striking fever seems to have infected even the bootblacks of Columbia.

At a meeting held by them on Saturday they decided to charge 10 cents instead of 5 for blacking shoes.

Treasure Trove. Some workmen while digging a foundation in town, uncarthed what was at first supposed to be the remains of an infant. It turned out to be, however, only a ham. How came it to be buried there? is the

question now asked. Mr. John Filbert left for a visit to Philadelphia this morning.

Sunday School Pienic at 9 a. m. on and after next Sunday. The general public, of whatever denomination they may be, are cordially invited to at-tend the picnic of this school next Thurs-day at Lititz. Tickets for members of school, adults 30c., children 15c.; persons not members of school, adults 50c., children 15c. Tickets good on all trains to and from Lititz. Arrest and Escape.

On Saturday evening several young men attempted to steal a keg of heer from the cellar of Desches' beer saloon. They were detected and one was arrested on a warrant issued by 'Squire Young. This morning it was discovered that he had made his escape from the lockup through the connivance of friends. He has not since been heard from.

In a Bad Way. Last evening a gentleman discovered a man on Locust street almost unconscious with cramp. He was taken to Yeakle s drug store and attended to. He said he was a railroad man, had lost his lunch kettle, and was almost famished for food. He gave no appearance of having been in toxicated.

MISSIONARY WORK.

Interesting Meeting at Olivet Baptist Church. The quarterly missionary meeting of Olivet Baptist Sunday school was held on Sunday afternoon. The attendance was very good, and after the opening exercises, the pastor, Rev. M. Frayne, delivered an address on the importance of prayer, which was full of interest and of valuable instruction. After congregational singing there was Bible reading by the school, the theme being "How to Develop Systematic Benevolence." The teacher of the Young Ladies' Bible class delivered an address on the importance of faithfulness in all religious duties; after which each class presented their annual offering for the Baptist general association, with an ap-

Telephones Causing Deafness. Fall River News.

Several of our friends in this city have had their sense of hearing diminished in one ear by constant use of the telephone. Persons who use this instrument are apt to apply the instrument to the same ear every time, and the consequence is the organ is over worked, and slowly approach ing deafness in that ear is sure to follow. Several parties in this city who are affected by it have applied to an eminent aurist in Boston, who reports the cause to be as above described. He recommends that persons who use the telephone apply the instrument alternately to their right and

RESCUED FROM DEATH. The following statement of William J. Cough in, ot Somerville, Mass., is so remarkable that we beg to ask for it the attention of our read ers. He says: "In the fall of 18761 was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the sum-mer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expend ed over a hundred dollars in doctors and med icines. I was so far gone at one time a report went around that I was dead. I gave up hope but a triend told me of DR. WM.
