A break has occurred in the Pennsylvania canal on the thirteen-mile level. It has detained a large number of canal boats.

There is considerable moving taking place in town. No families are leaving town, however.

The stone work at the old lock of the canal is being removed. It will be used for building purposes elsewhere.

Butter sold for 35 cents a pound on market this morning. The high price was caused by the scarcity of the article.

Escaped from the Hospital. Alleged Neglect and Indifference of the Officials.

Edward McGovern an inmate of the insane department of the county hospital escaped from the county on the 4th of July, and although the officers were aware of the fact, they failed to give any notice of the escape to the family or friends of the patient. Yesterday some of the relatives called at the hospital and were then for the first time made aware of Mr. McGovern's escape. The superintendent of the hospital, who is alleged to have treated the visitors with indifference, gave them little satisfaction as to Mr. McGovern's escape, and none at all as to the means taken to secure his return. One inquired how it was possible for an inmate to escape the hospital, and the superintendent, after returning, "how was it possible for the buzzards to get out of jail?" Mr. McGovern is about 5 feet 10 inches in height, stout built, 35 or 36 years of age. His insanity is generally of a harmless type, but he sometimes becomes violent. Formerly he was allowed to walk around the premises, but some two months ago the doctor gave notice that he should not be let out. On the morning of the 4th of July, however, he took a bucket and went out for water and came back and set the bucket down. Since that time nothing has been seen of him by any of the hospital officials. He appeared to be quite rational when last seen at the hospital, and as he has a wife and family living in Newark, N. J., it is possible that he may have made an attempt to reach that city. His friends are very anxious to hear from him, and any information as to his whereabouts would be thankfully received by his nephew, Thos. McManus, at the Keystone home, North Queen street.

BOARD OF HEALTH.

Joint Meeting of the Council's Committee and the Board.

Last evening the board of health met in a special session, and the committee on the health of the city, which was appointed at the last meeting of the council to consider the health of the city, reported to the board. The board was very efficient. A resolution was passed to have various notices printed to good health, that have maintained in the city, and the difficulty encountered in having them printed. It was stated that the police force failed to take cognizance of nuisances, and even show an indisposition to have them abated when they are pointed out. It was also stated that the police force of the parties maintaining them. In view of these facts and others presented, it was determined by the board and the committee to ask council to increase the salary of the chief of the fire department, and to impose upon him the duties of health commissioner. It was agreed that an ordinance embodying these provisions should be drafted and submitted to an adjourned meeting, and if approved by the board and the committee, it should then be presented to council with a petition that it be passed.

He was arrested and committed to trial at court. This morning the defendant was taken before Judge Patterson on a writ of habeas corpus and was discharged on furnishing bail. The facts of the case, as alleged by him, showed that on Friday last he and Martin Reese, the husband of the complainant, the latter owning and occupying the house alleged to have been entered, went home to get some clean clothing for the purpose of coming to Lancaster. The doors of the house were open, but the trunk which contained the clothing was locked. At the request of Martin Reese, who owned the trunk, David broke it open. The complainant about this time put in an appearance, and with a rake, began hammering David. He took the stick from him and he and Martin began dressing and came to Lancaster. Upon their return on Saturday David was arrested on the above charges.
