The falsity of some of his pre-tensions is exposed by the Bellefonte Watch-man, an influential and responsible news-paper published at his own home. The Duty of the Hour. Hollidaysburg Standard.

Democrats will elect their State ticket in November unless they deliberately throw away their opportunity. The Re-publican party is divided and we have the highest authority for declaring that a house divided against itself cannot stand. But Democrats must not expect the fruits of victory to fall into their hands unsolicited. Victory seldom comes to those who do not work for it. There are some

things that the chairman of the State committee must do. The committee itself must attend to other matters. There is something for each candidate and for the party leaders generally to do. But there is one urgent duty just now pressing upon each individual Democrat. It is a duty easily performed and yet of the highest importance. It is simply to GET REGISTERED. Now, Democratic reader, this is not intended for your neighbor, but for you. Attend to it at once. Don't put it off until you forget it. Procrastination is dangerous. And see that your neighbor is registered, too. A full Democratic vote means a glorious Democratic victory.

A Significant Toast. An Irishman drinking the heal h of his bishop, gave this toast: "May your riverence live to eat the old hen that crows over your grave." And what more terrible and fatal than kilney and liver disease." What intenes suffering too is what more terrible and fatal than kidney and liver diseases!
