

GOING TO HARRISBURG.

The Trip to Harrisburg, Pa. and back to Lancaster, Pa. will be made on Tuesday and Wednesday next, Aug. 15 and 16, the Grand Lodge of Knights of Pythias of Pennsylvania will meet in Harrisburg, Pa. for the purpose of establishing the uniform rank of this order in this State...

Large Excursion To-Day. The Reading Times and Dispatch of this morning has the following: "The excursion of Trinity Lutheran congregation to Leitz promises to be the greatest excursion event of the season. The Philadelphia & Reading railroad company have made the necessary arrangements to carry all the excursionists. Passenger cars were brought to this city yesterday from Philadelphia and other points on the railroad."

Yesterday, while two little boys, sons of John E. Granger, residing in Shipper street near Grant, were engaged in cutting weeds with a sickle, the older of the two made an unfortunate stroke and nearly cut off his brother's thumb at the second joint. The joint is so badly injured that it is feared the little fellow, who is about six years old, will be permanently maimed.

Grass Captured. Yesterday morning Philip Lebelzer caught a young and un-dyed crane in Landis' woods, a short distance back of Millersville. It could not fly, though it could run quite swiftly and Mr. Lebelzer had some trouble in capturing it. He brought it home and the crane was domesticated in a few days. It is fed on live minnows, which it eats with great avidity.

The Hoopoe Being Made. The work of repairs on the Quarryville railroad has been pushed forward very rapidly. Last evening the trains ran through to New Providence and one went as far as Caber's branch. The bridge over the Beaver creek has been repaired, and men are at work on all the other bridges which were injured.

Letters Received. The following are held for postage at the postoffice: "Harry J. Woods, Glen Rock, York Co., Pa." "Miss A. A. Birdall, Asbury Park, N. J." The others held are for better directions, and they are addressed as follows: "Lucy Healy, Somerset Co., Pa." "Messrs. Dana & Co., Fallstown, Pa."

W. W. Wunder, of the Reading fire department, who is also secretary of the State Volunteer association, is in town to-day. He came over on the train which brought the excursionists to Reading, and is making arrangements for the trip of the firemen to Bradford in September.

Flogged His Mother-in-law. Cotty Hoover got into a quarrel with Mrs. McLean, his mother-in-law, yesterday and punched the old lady's head, badly blackening her eyes. She made complaint against and battery before Alderman McConehy and Cotty was arrested and locked up.

A Catch of Bass. C. F. Stoner, Abe Harsh and C. H. Farnish went to Shick's Ferry, on Susquehanna, yesterday, and caught 26 black bass, weighing from half a pound to two pounds. Stoner caught besides a big catty and green gar.

Mayor's Court. Only two prisoners were taken before the mayor this morning. One drunken and disorderly person was made to pay costs, and one sober disorderly was discharged with a reprimand.

Common Pleas Court. The trial list for the weeks of common pleas court commencing Monday, August 23, and September 4th, is just out. Thirty cases are down for trial in the week and some of them are of considerable importance.

RESCUED FROM DEATH. The following statement of William J. Coughlin of Somerville, Mass., is remarkable, and we beg to call the attention of our readers. He says: "In the fall of 1871 was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and strength. I was so weak at one time that I could not leave my bed. In the summer of 1871 was admitted to the City Hospital. While there the doctors said I had a hole in my left lung, and that I would not live. I expected over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope, and a friend told me of Dr. Wm. Hall's BALSAM FOR THE LUNGS. I laughed at my friends, thinking my case incurable, but I got a bottle to satisfy them, but to my surprise and great joy, I commenced to feel better. My hope, once dead, began to revive, and I day by day in better spirits than I have had for three years. "I write hoping you will publish it, so that every one afflicted with diseased lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced of its merits.
