LANCASTER WATCHES.

Not" Special," but Average

1. "Keystone."

Pemssylvania Railroad Company,
Lancaster Station, August 5, 1852.

I have carried for nearly TWO YEARS a
Lancaster Watch of the "Keystone" stemwind grade. It has given me perfect satisfaction in every respect, but especially as an accurate time-keeper—for it has kept WITHIN
THE MINUTE with our Standard Railroad
Time during the entire past year? To all persons who are required to have correct time,
but especially to RAILROAD MEN, I would
confidently recommend the Lancaster Watch.

W. F. HAMBRIGHT,

Passenger Agent.

During the past forty years I have carried a number of watches, but the Lancaster Watch of the "Keystone" stem-winding grade, is the best I have ever had for keeping time. I have had it now for nearly TWO 1 EARS. It runs "to the dot" always, and is as true as may Three-Hundred Dollar Watch I have ever seen. I don't believe there was ever a better time keeper, for ordinary use, turned out of any watch factory in the world.

EDWARD KAUTZ,

Depot Policeman.

One year ago, or longer, I purchased from Mr. Louis Weber, a Lancaster Watch of the "West End" grade. It has been ON THE MINUTE EVER SINCE with our Rairoad Time, and as a time pleec cannot readily be excelled. I could not get any higher-prices watch that would be more satisfactory. A watch that will stand the test of RAILROAD USE so well as these Lancaster movements do, must be a good one. Phis is the only watch I have ever carried that has done anything like its good work, and I don't want anything better.

W. F. WELCHANS.

Clerk in Ticket Office.

4. "West End." The Lancaster Watch of the "West End" stem-wind grade that I bought from Mr. H. M. Shretner TWO YEARS AND EIGHT MONTHS

ago, is a first-class time-keeper. It has ran VERY ACCURATELY with the Pennsylvania Ratiroad Time ALL THE WHILE, and has given me perfect satisfaction. BENJAMIN KIEHL

OH, MY BACK!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, over-work, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong sed needs prompt attention. No med-icine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by cormencing at the foundation, and making the blood pure and rich.
