The same committee made the following report also: The borough treasurer has, up to the present time, replaced \$18,000 of the 6 per cent. bonds, due the first of last April, with \$14,000 of the 4 per cent. and expected to dispose of the balance soon. \$12,000 of the 6 per cent. have been called in and been destroyed.

PAVING COMMITTEE. The report of this committee shows that a number of pavements have been fixed, and many others need attention, principally on account of tree roots raising the bricks. Property owners are warned to attend to their lawns and trees, and prevent a visit from this committee. Different gutters were injured by last Sunday's rains. They are being rapidly repaired.

The plank crossing at Mill street is to be put down by the railroad company as soon as possible. The walk in front of McBride & Trautman's mill, on Rock street, will be laid as soon as the borough supervisor was one to put down the street crossing. Attention was called to the danger incurred to pedestrians at night by the deep gutter on the north side of Union street, between Chestnut street and the railroad. It was recommended to be covered with flat stones or planking. The committee was ordered by council to ascertain whether it is the duty of the borough or the railroad company to attend to this matter and to act upon the same.

Bills to the amount of \$2,480.72 were ordered to be paid. Council then adjourned.

AN IMMENSE MORTGAGE. One Hundred and Sixty Millions of Dollars. To-day County Recorder Good received a printed copy of the mortgage made by the "Philadelphia & Reading company" and the "Philadelphia coal and iron company" for the "Pennsylvania company" for the purpose of granting annuities, of the city of Philadelphia, trustees, in the sum of \$160,000,000.

The mortgage covers 269 octavo pages, and will probably make almost an equal number of manuscript pages of the large books of record in the county recorder's office. The mortgage of course contains a very minute description of all the property transferred to the trustee, and has to be recorded, not only in our county, but in twenty-two other counties in which part of the property lies. It is the largest mortgage ever recorded in this county, and will yield a good fat for the recorder at ten cents per line.

Tom Thumb in Town. Gen. Tom Thumb and company arrived in town this morning and at 1 o'clock a street parade was given, with the Keystone band ahead. The small coach with two ponies, driven by a colored boy in livery, was seen in the line and a large number of people gathered to see the parade.

The first performance of the principal stars, and the first performance of the opera house, was given at a matinee at 2 o'clock this afternoon, when notwithstanding the inclemency of the weather a large audience visited the opera house. The entertainment was very enjoyable, in addition to the general character of the performance, and the marvelous midjet. Whitson is a funny fellow, and the other attractions constitute a first class show of first class artists. Two performances will be given daily during the stay of the troupe here.

MYSTERIOUS DISAPPEARANCE. Anxiety About a Young Man's Whereabouts. Walter Kelly, a young clerk in the Farmers' national bank, this city, asked permission to leave the banking house on Saturday afternoon between four and five o'clock. Permission to leave was granted, and he was never seen since.

A Fatal Fall. At Harrisburg, while William Neill and Alfred Towson were working on the slating of the Presbyterian church from a scaffold, it began to shake, and before they had time to leave the scaffold, place it broke, throwing them a distance of thirty-three feet to the ground. Mr. Neill was fatally injured. His right shoulder was dislocated and he was bruised severely. He was also injured internally to such an extent that he died less than an hour after the accident happened. Mr. Towson received some internal injuries and was hurt somewhat in the lower part of his back.

A White Deer. In the saloon of John A. Snyder on North Queen street a curiosity can be seen. It is a deer which was shot at Petersburg, Huntingdon county, this state. The animal was stuffed by his owner and shipped to Dr. S. T. Davis who gave it to Mr. Snyder to exhibit. It is almost entirely white in color and is a rare curiosity.

Hang Himself with a Halter. On Saturday evening John Smith, a rag peddler, residing on McClay street, Harrisburg, was found suspended to a ladder in his house by a halter strap, and on being cut down was discovered to be dead. This is the second attempt Mr. Smith has made to commit suicide.

Amusements. The play "The Boy Soldiers" on Friday, Sept. 15, Frank Hill will appear at Patton opera house, supported by H. B. Mann's comedy company in Mr. Hill's comedy entitled "Key Solomons." Mr. Hill is admittedly high in the line of Hebrew character impersonation, and besides being a capital actor he is also a good musician, thereby being enabled to introduce his many musical specialties. The play is said to be one of merit, being very funny and having a good story running all through it.
