those that have been mentioned. In 1880 President Hayes appointed him Supervisor of the Census for the Seventh District of Pennsylvania, composed of fourteen counties in the central part of the State, and extending from Clearfield to York. It is unnecessary to say that he employed the same fidelity in this position that he has always shown in every public or private station in which he has been placed. Its duties were performed to the entire satisfaction of the department.

Mr. Africa's admirable character is the result of deep-seated moral and religious convictions. It has been stated that his ancestors were Lutherans. From his mother's side he comes naturally by his Presbyterian faith. He belongs to the latter church at Huntingdon, is a member of the board of trustees and treasurer of the congregation.

"By asking too much we may lose the little that we had before." Kidney-Wort makes no use of faith in its virtues. A lady writes from Oregon: "For thirty years I have been afflicted with kidney complaints. Two packages of Kidney-Wort have done me more good than all the medicine and doctors I have had before. I believe it is a sure cure."

"Fast, brilliant and fashionable are the Diamond Dye colors. One package colors 1 to 4 lbs. of goods. 10 cents for any color."

"A Wonderful Thing is a Seed," says some song writer, and there is no doubt you can sow to-day; to-morrow will bring the blossom that proves what sort of thing is the seed, and the fruit that grows thereon. All of which is true, and Hunt's remedy is a wonderful thing, also. It is, also, tested by experience. You give it to one who is severely afflicted with dropsy, or some liver or kidney disease, and "to-morrow" or a little while, reveals "that sort of thing." It is not proved itself to be "the friend in need," the friend which has been sought for by thousands. We do not fear, but invite the most rigid testing of Hunt's Remedy in kidney ailments.

How Seldom can a man refrain from chopping the leaves of the Barlock, with his cane, as he passes, is "only a weed," and yet few plants or weeds are so valuable, and low preparations so popular as Barlock. Balm in Ointment. There is a balm in Gilead to heal each gaping wound. In Thomas' Electric Oil, the remedy is found. For internal and for external use, you freely may apply it. For all pain and inflammation, you should not be without it. It only costs a trifle, 'tis worth its weight in gold. And by every dealer in the land this remedy is sold.

Walnut Leaf Hair Restorer. It is entirely different from all others. It is as clear as water, and, as its name indicates, is a perfect Vegetable Hair Restorer. It will immediately free the head from all dandruff, restore gray hair to its natural color and produce a new growth where it has fallen out. It does not in any manner affect the hair, which naturally falls out, but it will change light or faded hair in a few days to a beautiful glossy black. For sale at H. B. Cochran's drug store, 137 North Queen Street, Lancaster.

**BROWN'S IRON BITTERS.**

**MALARIA**

Malaria is an almost indescribable malady which not even the most talented physicians are able to fathom. Its cause is most frequently ascribed to local surroundings, and there is very little question, but this opinion is substantiated by facts. Malaria does not necessarily mean chills and fever while those troubles usually accompany it. It often affects the sufferer with general lassitude, accompanied by loss of appetite, sleeplessness, a tired feeling, and a high fever the person afflicted growing weaker and weaker, loss flesh day after day, until he becomes a mere skeleton, a shadow of his former self.

In addition to being a certain cure for malaria and chills and fever, BROWN'S IRON BITTERS is highly recommended for all diseases requiring a certain and efficient tonic; especially indigestion, dyspepsia, intermittent fever, want of appetite, loss of strength, lack of energy, etc. Enriches the blood, strengthens the muscles, and gives new life to the nerves. Acts like a charm on the digestive organs. It is safe for all respectable medicine dealers, price, \$1 per bottle.

Be sure and get the genuine BROWN'S IRON BITTERS. Take no other.
