SHIFFLER.

THE COMPANY VS. THE ASSOCIATION.

The War Ended—Peace Concluded and Harmony Restored.

A stated meeting of the Shiffer fire company was held in Shiffer hall last evening, and was attended by 116 members, President P. B. Fordney in the chair.

With a view of harmonizing the troubles that have disturbed the company for several months past a series of resolutions to the following purpose were offered:

That the special committee of seven, on sale of real estate, together with the trustees shall make a deed of the property of the company to the Shiffer association, the deed to be attested by the president and secretary under the seal of the company; and that the purchase money be deposited in the Fulton national bank, to the order of A. C. Renchell, esq., and Peter B. Fordney; that the special committee, together with the trustees, acting through the advice of J. Hay Brown and Alexander C. Renchell, esq., shall sell the personal property of the Shiffer fire company at public or private sale, the proceeds of the sale to be deposited as above provided; and that all moneys belonging to the company be distributed to the members named in the above named resolutions, each of whom are put under \$2,500 bonds for the faithful performance of their duty.

The above resolutions were presented by Messrs. Brown and Reinhold, and were discussed and generally accepted by the members of the association.

THIRD EDITION.

WASHINGTON, D. C., Sept. 20.—For the Middle Atlantic states cloudy weather, local rains, winds shifting to cooler northerly, higher barometer.

THE FIELD OF POLITICS.

NEW YORK REPUBLICAN CONVENTION.

The Folger Forces Secure the Organization—Democracy on its Way to Spacious—The Massachusetts and Connecticut Conventions.

SARATOGA, Sept. 20.—The Republican state committee met this morning and selected temporary officers of the convention. The Folger men named ex-Senator Madden and the Cornell-Wadsworth men named Senator Pitts. The ballot resulted: Madden 18, Pitts 14. The Cornell-Wadsworth people say they will fight on the question of temporary organization, in which case the strength of the factions will be shown.

As delegates took their seats in the Republican state convention this morning there appeared to be less confusion than ever known at any convention before. Beyond the display of bunting behind the stage there were no decorations. Excitement prevailed in the streets. At 11:30 a. m. the convention was called to order by E. Platt Carpenter, chairman of the state committee.

After roll call Mr. Sharpe announced that the state committee had decided to recommend as temporary chairman Hon. E. L. Madden and he placed him in nomination.

Warner Miller said the state committee should not dictate who should be temporary chairman and he nominated Edmund D. Pitts.

Mr. Sharpe repelled the suggestion that Madden's name was presented by other reasons than in interest of harmony and he asked for the ayes and noes. The vote resulted: Madden 251, Pitts 243, and Mr. Madden was conducted to the chair.

Various committees were then appointed. Mr. Hopburn presented a communication from the Anti-Monopoly convention, calling the attention of Republicans to corporate power, which, the communication says, has corrupted our elections and legislation to an extent which imperils public morals and endangers our institutions.

A recess was then taken until 4 o'clock.

NEW YORK DEMOCRATS.
