a New Life. At sunset yesterday began the celebir. tion of the Jewish Day of Attonement, which will be continued until sunset this evening. Hebrew services, consisting intonation of the Scriptur by readers, varied by singing, began in the synagogues of the orthodox Jews at 6 o'clock last evening and was continued until 9 o'clock. A similar service began at 6 o'clock this morning and lasted until 10 o'clock. In the synagogues of the reformed Jews the services will not last quite so long, but in all other respects they are identical with those of the orthodox Jews. Very great importance is attached by all Jews to the faithful observance of the Day of Ator ment, and any neglect on the part of person to attend the sacre 1 rights

No two Jews with any variance between them: e'ves are permitted to enter the synagogue until they shall have settled their differences and again become friends, and peace and good-will between all men at this time is absolutely commanded by Hebrew law. When the liebrews worshiped in their own splend d temples it was on this day only that the High Priest was permitted to enter the "holy of holies" or to speak the name of God, privileges denied to him at any other time than at the celebration of the Day of Atonement. At this period also, the nebrews are commanded to abstain from all earthly pleasures and to concentrate their thoughts on any neglect of their sacred duties which they may have been guilty of during the past year and in all respects to suffer self-abasement.

The new Catholic church at Steelton will be selemnly dedicated by the Right Rev. Bishop Sanahan, D. D., at 10:80 a. m. to-morrow. Amusements. "Olirette" To-night.-There is every reason

to believe that to-night's performance of Audran's opera of "Olivetie" by the Philadelphia Church Choir company will be altogether worthy of the delightful work. The costumes, and properties are all new and the chorus numbers upwards of forty voices. Mr. Louis DeLange and Miss Emma Delaro are in the cast, compose a strong attraction in themselves. The company sang in Harrisburg, and the local managers telegraph that the audi ence was immense and the effect very favorable, while a dispatch from Reading states that in that city, fifteen encores were given SPECIAL NOTICES.

RESCUED FROM DEATH. The following statement of William J. Cough in, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our read ers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my lett lung as big as a half-dollar. I expended over a hundred dollars in doctors and medcines. I was so far gone at one time a report went around that I was dead. I gave up hope out a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at

and to-day I feel in better spirits than I have he past three years. "I writethis hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR, WM. HALL'S BALSAM FORTHE LUNGS, and be convinced but CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work. old by H. B. Cochran, 187 North Queen street
