

SHOT BY A POLICEMAN.

THE WOUND CONSIDERED SERIOUS. ZACH, BOAT SHOT BY OFFICER MERCER WHILE TRYING TO ESCAPE A LIVERY FISTOL.

This afternoon Zach, Boot, an alleged chicken thief, was shot by Officer Mercer, on the premises of Capt. Sehub, North Queen street, as he was attempting to escape.

The circumstances as reported are as follows: Boot had evaded arrest for some time past. Mercer hearing that he was at Samson Rosh's, in Feagleyville, went for him. He was not there, but the officer was told he was at Westwood's, on North Christian street, near Frederick.

Officer Mercer accompanied by another officer, went to Westwood's, found Boot and took him into custody. Boot told the officers that the case against him had been fixed. The officers told him he must go with them to John Feagley's (his bail) and if he was all right they would release him.

They went to Feagley's and found Feagley at right picking rags in the building in rear of his residence. Boot said "Johnny, ain't this case all fixed?" Feagley said, "No, it is not fixed, when I see you sprang out the second story window and ran along Christian street, the officers following him. Boot ran through the open gate in the rear of the residence of Henry Mishler, where he drew a pistol and fired at the officers, but his pistol was empty.

Boot then drew a pistol to shoot Mercer, but his pistol snapped. The officer reached his hand, and took the gun, running out of Marks' yard into North Queen street and thence into the arched way of the premises of Capt. Sehub's tavern, nearly opposite. The officers were there almost as soon as he, and as they closed on him he tried to fire and continued to run. Mercer fired and Boot fell, but even while on the ground attempted to shoot them. He was seized and disarmed, and being evidently badly wounded he was laid upon a bench in Capt. Sehub's yard.

Why continue the use of remedialist only here, when Ryle's Cream, Pleasant Oil, and other good things, can be had for 50 cents? Apply to our store with little danger. A case treated with Chronic Catarrh and gonorrhoea in my head, was very bad at times and had discharges from my ears, besides being unable to breathe through my nose.

SPECIAL NOTICES.

It takes over one hundred pairs of gloves to make the grip of the Brooklyn officials over the death of an athlete, whose life might have been saved by a single bottle of Dr. Bull's Cough Syrup.

It will do it. Food will lodge in the interstices between the teeth, and it becomes a source of decay. SOZODONT will dissolve such deposits, and prevent their accumulation. All parents should provide SOZODONT, and thus secure the health of their children's teeth.

A Voice from the Press. I take this opportunity to bear testimony to the efficacy of your "Hop Bitters." Expecting to find them nauseous and bitter and composed of bad whisky, we were agreeably surprised to find their taste, just like a cup of tea. A Mrs. Greenwell and a Mrs. Connor, friends, have likewise tried, and pronounce them the best medicine they have ever taken for building up strength and to ing up the system. I was troubled with constipation, headache and want of appetite. My ailments are now all gone. I have a yearly contract with a doctor to look after the health of myself and family, but I need him not now.

Don't die in the house. "Lough on Rats." Clears out rats, mice, fleas, bed-bugs, flies, ants, moles, chipmunks, gophers, &c. "Blackberry" is a lasting and fragrant perfume. Price 25 and 50 cents. For sale at Cochran's drug store, 17 North Queen street.

Rescued From Death. The following statement of William J. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for its attention of our readers. He says: "In the fall of 1881, I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not walk a few feet. In the summer of 1882 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines, but to no purpose. One day a report went around that I was dead. I gave up hope but a friend told me of Dr. Wm. HALL'S BALSAM FOR THE LUNGS. I lunched at a restaurant, and after lunch, I bought a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and today I feel in better spirits than I have for the past three years."
