DAKING ROBBERY.

A Safe Blown Open and the Contents Rifled. Between 11 and 12 o'clock last night a daring robbery was perpetrated at the hotel and store of Jacob B. Minnich, at Landisville. The safe, weighing about 800 pounds, was removed bodily from the ouse by means of a barrow truck stolen from the railroad station near-by, and carried to a field belonging to Michael B. Landis, a quarter of a mile distant, where its contents were rifled. The absence of Mr. Minnich renders it impossible to as certain the exact amount of the loss, but it is known that a considerable sum of have the greatest contempt for Independ money and some valuable papers were in defeat to that branch of the Republican the safe at the time it was stolen.

The safe was found this morning near a straw stack in Landis' field. No clue, by which the thieves may be detected has been discoverad. It is possible that some negotiable securities have been stolen along with the other papers, and the banks of this city have been warned to be on the lookout for any of the paper which may be presented to them.

It is stated that Bernard Edalman, the watchman at the railroad, saw two suspicious looking characters near the barrow truck in the early part of last evening. After noticing them he cutered the station and remained there a short time. On his return the track had disappeared.

Ankle Dislocated. Last night as Jacob Kautz, brick-maker, residing at No. 463 Manor street, was crossing a gutter on his way home he slipped and fell dislocating his ankle. Dr. J. O. Boyd reduced the dislocation and

AN INSURANCE DISPUTE. The Case of Gottschalk & Lederman Before

Yesterday afternoon Wm. M. Slaymaker, W. O. Marshall and Geo. McNabb the chosen arbitrators in the suit of Gottechalk & Lederman, of North Queen street, vs. the London Assurance corporation, the Phoenix insurance company of Hartford, Connecticut, the Lancashire insurance company of Manchester, England, the City of London fire insurance company, London, England, the Williams. burg City insurance company of New York, and North British & Mercantile insurance company London and Edinburg, met and heard the testimony offered. This was an action to recover on insurance policies, arising out of the fire at the store of plaintiffs that occurred in May last, in

North Queen street. The plaintiffs presented their bills and testimony in support of their claim, showing that the original stock amounted to \$32,406.82, out of which it was admitted they had sold, up to the time of the fire, \$3,810.34 for goods damaged but not entirely destroyed by fire, as appraised by two appraisers, mutually chosen by the assured and the defendants' representatives. This, it was claimed, left the total loss on the stock at \$23,817.23, and on the fixtures \$938 23, making in the aggregate, with interest thereon, \$24,005.12;

After hearing the plaintiff's case, Mr. Reynold's, of counsel for the defendants, gave notice to the arbitrators that he would not go into a defense before the arbitrators, but would take out an appeal and make his defense in court.

The arbitrators awarded the plaintiffs the full amount of their claim. S. H. Price and Jacob L. Steinmetz appeared for the plaintiffs. S. H. Reynolds and Sharp and Alleman, of Philadelphia, rep. resented the defendants.

LEG BROKEN.

On Friday last near the Lamb tavern. Mrs. Christian Anderson, housekeeper for Nicholas Brown, was thrown from a carriage and sustained a very bad compound fracture of the leg between the ankle and knee. It appears that Mrs. Anderson, while sitting in the carriage accidentally dropped one of the lines, and, in her efforts to regain it, pulled hard upon the other one. This caused the horse to move suddealy to one side of the road, upsetting the carriage over the embankment and throwing Mrs, Anderson out, breaking her leg as above stated. and She was taken to Mr. Brown's where the Stomach, Bladder and Bowels. fractured bones were set by Dr. Miller, of this city. Mrs. Anderson, who is well known in this city, is about 65 years of age has two sons living in York county, one daughter, living in Shamokin, and another, the wife of George Metzger, in this city, all of whom have been notified of their mother's serious mishap, it being feared that the leg would have to be ampu-Congratulating Governor Pattison and Chairtated.

I was so far gone at one time a report went around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking my case incurable, but I got a bettle to satisfy them, when to my surprise a digratification, I commenced to feel better. My hope, once dead, began to revive.

CHICAGO, Nov. 9 .- The latest returns rom the state indicate the election of the Republican state tickets by from 10,000 to 2.000 majority.

Minnesota Lemains Republican. ST. PAUL, Minn., Nov. 9.-The Repub icans elect the entire Republican congressional ticket. The state Senate stands: Republicans 34, Democrats 10, Independent and Greenbacks 3. House : Republilicans 76, Democrats 28, Independents 2. Michigan's Democratic Congressional Delcgation.

MILWAUKEE, Nov. 9 - The new congresional delegation from Michigan consists of five Democrats and three Republicans, with one district to hear from. This is a Democratic gain of four members.

Мемриів, Tenn., Nov. 9.—General James B. Chalmers, the Independent Democrat candidate for Congress in the Second Mississippi district, opposwas practiced in Tallapatchie county where the election was prevented from being held under the pretense of a fear of small pox which deprived him of 500 votes. At one place in Desoto county where the judges refused to hold an election there was caused a loss to him of 200 votes. Notwithstanding this he claims his election on the returns that have

been made by 1,070 majority. Secretary Folger Retieent, Wyshington, Nov. 9 .- Secretary Folger declines to say anything in reference to his future plans. The general impression among his friends in the treasury is hower, that he will serve out the balance of his term as secretary of the treasury, unless some unforeseen circumstance should arise to make his retirement nec-

essary before that time. The secretary has commenced the prep ration of his annual report which is to accompany the president's message to Congress, and is no collecting data from the bureau officers for that purpose.

WILMINGTON, Del., Nov. 9.—Daniel laguire, who was shot by John Croney en uesday night, died last night. Croney has been committed to jail. By his misconduct Maguire had acquired the nickname of "The terror of the Eleventh ward," but in this case the shooting appears to have been done without provocation and in part to avenge a previous assault on Croney's brother.
