> RESCUED PROM DEATH. The following statement of William J. Cough in, of Semeryille, Mass., is so remarkable that we beg to ask for it the attention of our read ers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a balf-dollar. I expend-ed over a hundred dollars in doctors and medleines. I was so far gone at one time a report went around that I was dead. I gave up hope but a triend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking my case incurable, but 1 got a lettle to satisfy them, when to my surprisea d gratitication, I commenced to feel better My hope, once dead, began to revive, and to lay I feel in better spirits than I have

Tell It Out.

Why not? Good news ought to be told, and it is good news that Hunt's Remeity has cured the worst of kidney diseases, and can do it again and again. There are abundant testimonials to this fact. Mr. Joshua Tuthili, of Saginaw, Mich., was cured of Bright's Disease; Mr. John Hunt, of Providence, of dropsy, when death seemed imminent; Mr. S. G. Mason, of Providence, of rheumatism which crippled him; and a host of others of similar diseases which threatened dissolution. And what Hunt's Remedy has done, it will still do. It is the great kidney and liver medicine of the sge. Tell out the good news to all.
