HOW GOVERNOE BUTLER WENT TO CAMBRIDGE.

JUNE, 1883. Ben Butler crossed Charles River bridge, Escorted by the Lancers. Their coats were red, their noses, too,

Their horses were all prancers. The mounted peelers pricked their steeds Among the crowd so madding : The Gin'ral'saids were fair to sec With braid and shoulder padding.

The damosels of Cambridgeport The Gin'ral's glances courted ; and when he doffed his monstrous bat With joy they were transported.

The testive gamins of the Port The frolic fishhorn toote 1: The gory Cambridge City Guards At Dans street saluted.

And when the College yard was reached. The band played Yankee Doodle, And all the faculty bowed low, Including Gurney's poodle.

Ren jumped off into Eliot's arms 'Mid undergraduate cheering, The Lancers up to Fresh Pond went To get their wonted bearing.

Much pleasure it does me, sir. And all the other Fellows here, To make you LL. D., sir." Rold Ben Butler blushed and bowed.

And with his sheepskin fumbled; With undergraduate applause The very cellings rumbled. Then Wendell Phillips laughed with give,

And Theodore Lyman shouted; Eut Zudoc Bowman wept aloud. And Gin'ral Devens pouted. Around the genial mother's board

Her sons are all invited ; And at the head, with brow of gloom Sits Frisbie Hoar, the blighted.

Throughout the lofty pictured hall Cigars diffuse aroma; Tis toid, with awe, Ben lighted his With his brand-new diploma. " My brethren." Frisbie feebly says,

" Against the pricks no use it's To kick; I introduce to you The boss of Massachusetts.'

The older graduates rose up, The younger cried Rah, Rah, too : The whey-faced book-worm meekly said. " This thing is Ben trovato." And when His Excellency rose, John Hancock, who is painted

From the Baltimore American. MYSTERIOUS Articles with High Sounding, Crack-Jaw Names are Not a Success.

EFRESHING CHANGE.

To Plain English. Every reader of newspapers has observed time, and again, in the advertising columns, many singular and frequently unpronouncable names of medicinal remedies. The Greek and Latin languages especially have been drawn upon to turnish names by which pat-ent medicines could be introduced to the public. The inference is, in many cases at least, that the proprietors depend more upon the attraction of high sounding titles than upon the essential merits of the remedies

It is refreshing once in a while to finds medicine advertised, whose simple intelligi-ble name in English at once conveys to the reader an understanding of the uses and pur-

poses of the remedy.

A notable instence of this kind is found in the medicines of Dr. C. W. Benson, whose Skin CCRE and CELERY and CHAMONILE PILLS impart at once, in their names, either their purpose or the ingredients that compose them. Dr senson's SKIN CURE is warranted to heal all diseases of the skin, such as tetter, humors inflamation, milk crust, eczema, diseases of the hair and scalp, scrofula, ulcers, pimples and itchings on all parts of the body. It makes the skin white, soft and smooth, re-moves tan and freckles, and is the best tollet ircssing in existence. Its popularity is attested by the immense sales of it which are taking place enerywhere.

For It is the only genuine "Skin Cure," and all should beware of the various remedies which have been struggling for existence, and now endeavor to ride into popularity by advertising themselves as "The Great Skin Cures." There is only one, and that is Dr. Benson's. Be sure and get it.

DOES YOUR HEAD ACHE? No Matter What Cause, Sick, Nervous, Neu-ralgia, Dyspeptic. Which is it? A revolution in the treatment

of nervous diseases is now taking place. Dr. C. W. Benson has discovered a sure remedy in his Celery and Chamomile Pills-they permanently cure sick and nervous headache, nenraigia, dyspepsia, sleeplessness and all ner-vous diseases. Sold by all druggists. Price cents a box. Abdress, Baltimore, Md. By mail, two boxes for \$1, or six boxes for \$2.50. C. N. Crittenton, of New York, is wholesale agent for Dr. C. W.
