Getting Over Christmas

There were a good many men in town yesterday, who were full of whisky, and some who wanted to fight. A party : youths raised a row at North Queen and Orange streets, but no one was hurt. The mayor had seven drunks this mor ing, and he sent them to jail for terms or from 5 to 10 days.

RESCUED FROM DEATH. The following statement of William J. Cough in, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our "read ers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time

that I could not leave my bed. In the sum-mer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medkines. I was so far gone at one time a report went around that I was dead. I gave up hope ut a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking my case incurable, but I got a bettle to satisfy them, when to my surprises of gratification, I commenced to feel better My hope, once dead, began to revive, and to tay I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Discused Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work.'s sold by H. B. Cochran, 187 North Queen str

Making Short Work of Jt.

In the siege of Troy, Apollo encouraged the Trojans to be valiant against the Greeks, by saying: "The mighty Achilies does not fight to-day," It would seem as if Death had been bidding disease to make its greatest inroads upon men, by saying "Hunt's Remedy is out of the market." But the Trojans found to their cost, that the mighty Achilies came to the field, slew their greatest champions, and made short work of the battle. And Hunt's Remedy, as an Achilles against kidney and liver diseases, has taken the field, and is making short work of all such ailments. Hundreds of testimonials from all quarters are coming in as to the might of this champion medicine. Not surer was the sword of Achilles than is this powerful, yet peaceful, remedy in battle form, as it wages war against dropsy, urinary and kidney complaints, and overcomes. It is wise to call in its aid.
