HOLY INNOCENTS DAY. Christmas Festival at St. James Parish,

The Sunday schools connected with St James church had their annual festiva! yesterday. The church was very beautifully decorated with evergreen, and be ween the organ and the chancel was placed a large Christmas tree ornamented with pretty gow-gaws. Surrounding the tree were bundreds of gifts for distribution among the children of the three schools-the infant school, the upper department of St. James, and the Locust treet chapel school.

The attendance at the festival was ver arge. The programme of exercises apened with the processional hymn commencing, O. Come All Ye Faithful,"followed by the intenation of the Lord's Prayer, the Gloria Patri and other fine music. The creed and versicles and collee's came next and then the surplied choir sang the hymn commencing "Once Again, O Blessed Time "

The rector, Dr. C. F. Knight, made a brief address explaining the nature of the festival, after which the schools sang the Holy Night !" After the offertory, the carol "Christmas Bells," with sleigh bel! eccompaniment, was given with fine effect. Prayers, the blessing and the Christmas hymn, "Shipe Calm and Bright," followed in order, and the surpliced choir ended the musical part of the programme by singing the recessional hymn, No. 37.

Gifts were then distributed to each child in attendance. They consisted of tovs, games, books, cakes, fruits and con fections. Some of the gifts were quite valuable, and it vas noticed the best of them fell into the hands of the poorer parish children. The festival was a very pleasant one throughout, and the music, under the leadership of Prof. Matz, was unusually fine

It is somewhat singular that it is to the little state of alheade island, least of all the Sisters in the Union, that should have inscribed upon her seal the one word, Horz. One would think that the founders of the state had foreseen that is its chief city, Providence, there would atterwards be discovered a remedy for the afflicted, which has inspired more hope in the hearts of the sick than any presented to the public. But whether they dreamed of Hunt's demedy or not, that medicine is produced in Ahode Island, and embodies it in the cheering word of her state seal, Hope. Nor does it bid men hope only to mock their hope, but with power to satisfy and cure. To all who have dropsy, weakness of the back produced by an affection of the kidneys, or any other ailment of the kidneys or urinary organs, Hunt's Remedy comes with hope. Try it, and you will bless Little Rhody and Little Rhody's most celebrated production, Hunt's Remedy.
