MONDAY FVENING JANUARY 1, 1883 CANNOT DRINK BLOOD IN BOSTON,

The Ford Brothers Stampede a Crowd and Are Quelled by a Single Policeman, The slayers of Jesse James, the Fords went to Boston last week to join the attractions of a dime museum on Tremont street, and when they asked permission at the City hall to wear their revolvers they were told that they were at liberty to wear them so long as they made no improper use of them. Saturday night when Charley was in the midst of his "lecture," some one in the crowd volunteered the sneer ing assertion that they, the much vaunted brothers, were "no good." Thereupor the much vaunted drew their weapons and out of the doors and windows as soon as possible, the irate brothers pounding all charm and power by one attack of blotches, or whom they could reach with the butts of of pimples, or of horris tan and freckles. their long revolvers. Officer George D. Robinson was quick in reaching the little hall and the fracas ceased on his assurance to the desperadoes that they could not drink blood in Boston if they could in Missouri. The officer then reported to the station house and was instructed to swear out warrants on Monday morning against the Fords.

Queen of Sheba's Beauty WAS BUT SKIN DEEP.

The renowned Queen of Sheba, with all her royal pomp, magnificent apparel and brilliant retinue, would never have appeared within the presence of the grandest of the monarchs of the past, had she not also possessed that which is the crowning glory of the temale per son-a skin unchattenged for its Oriental softness and its almost transcendental purity. went for the crowd. The latter got away Cleopatra, holding emperors at bay, and ruling empires by her word, had quickly lost her

WOMAN RULES THE WORLD. by her beauty, not less than by her purity of character, loveliness of disposition and un selfish devotion. Indeed, in the estimation of perhaps too many men beauty in a body takes precedence over every other consideration Beauty thus forms an important part of wo man's " working capital," without which too many (if not bankrupts in what relates to influence within the circle where they move), are powerless for great good. Hence we see not only the propriety but the duty of every lady preserving with zealous care that which to her is essential to success, and influence and usefulness in life. And since "beauty is but skin deep," the utmost care and vigilance are required to guard it against the many ills that flesh is heir to. Among the great an annoying enemies of beauty.

OF EITHER SEX, as well as of comfort, happiness and health, are those pestiferous and horrid skin diseases -tetters, humors, eczema (salt rheum), rough and scaly cruptions, ulcers, pimples, and all liseases of the hair and scalp. For the cure of all these, Dr. C. W. Benson, of Baltimore, after years of patient study and investigation devoted to diseases of the skin, at last brought forth his celebrated SKIN CURL, which has already by its marvelous cures, established it self as the great remedy for all diseases of the skin, whatever be their names or character. Its success has been immense and unparal leled. All druggists have it. It is elegently put up, two bottles in one package. Internal and external treatment. Price, \$1.10.
