BROWN'S IRON BITTERS

STRONG FACTS!

A great many people are asking what particular troubles Brown's Iron Bitters is good for.

It will cure Heart Disease, Paralysis, Dropsy, Kidney Disease, consumption, Dyspepsia, Rheumatism, Neuralgia, and all similar diseases.

Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system drives out all disease.

A Lady Cured of Rheumatism

Baltimore, Md., May 7, 1881.
My health was much smashed up by Rheumatism when I commenced taking Brown's Iron Bitters, and I scarcely had strength enough to sit up to my daily household duties. I am now using the third bottle and I am regaining strength daily, and I cheerfully recommend it to all.
I cannot say too much in praise of it. MRS. MARY E. BRASHEAR.
175 Freeman st.

Kidney Disease Cured.

Christiansburg, Va., 1881.
Suffering from Kidney disease, from which I could get no relief, I tried Brown's Iron Bitters, which cured me completely. A child of mine, recovering from scarlet fever, had no appetite and did not seem to be able to eat at all. I gave him Iron Bitters with the happiest results.
J. KYLE MONTAGUE.

Heart Disease.

Vine St., Harrisburg, Pa.
Dec. 2, 1881.
After trying different physicians and many remedies for palpitation of the heart without receiving any benefit, I was advised to try Brown's Iron Bitters. I have used two bottles and never found anything that gave me so much relief.
MRS. JANNIE BISS.

For the peculiar troubles to which ladies are subject, Brown's Iron Bitters is invaluable. Try it.

Be sure and get the Genuine.

THE POULTRY SHOW.

THE GAME COCKS GETTING INTO LINE

List of Entries—Prospects of a Very Large and Attractive Exhibition—Over 1,100 Entries.

The fourth annual exhibition of the Lancaster County Poultry association will commence in Excelsior hall, East King street above Duke to-morrow, and will, beyond doubt, display the finest collection of fowls ever seen in Pennsylvania, if not in the United states. The list of entries numbers about twelve hundred, and the only danger is that the large hall in which the exhibition is to be given will be too small to properly display them. Many of the fowls from a distance have already arrived. There are specimens from Canada, the New England states, New York, Delaware, Maryland, New Jersey and other states. Pennsylvania is of course more largely represented than any other state, and Lancaster county will make a remarkably creditable exhibit. The entries came in so rapidly and in such unprecedented number that the secretary found it impossible to enter them in his official books in time for publication to-day. We furnish below a list of the entries as far as they have been recorded, and will to-morrow publish the balance of the list:

AT

Wanamaker's.

Silk novelties innumerable and indescribable. Everything that ladies or dressmakers have occasion for in matching, decorating, combining. What we are remarkable for, more than for anything else in silks, is variety; or, at least, we are reputed so. You hear it said by everybody: "If you want to match anything, or find a rare silk, even an unexpectable one, go to Wanamaker's."

The other peculiarity that everybody expects to find here is less pleasant to speak of; lower prices. We put it second, because there are people who don't credit us with lower prices. Still, we imagine that if one should assert the contrary, almost everybody in Philadelphia would believe it.

Oftener we speak of other aspects of our trade; aspects less obvious or less recognized. It is well occasionally to give old news.

Next-outer circle, south entrance to main building.

Warm skirts for ladies, and leggings for ladies, girls and little girls. The warm skirts are satin, satin-and-cloth, satin-and-felt, satin-and-Italian-cloth, and Italian, all quilted; cloth, flannel and felt prettily trimmed, not quilted, warm enough without. The leggings are all sorts: one very useful and fairly pretty sort, woven, at two-thirds value, 25 to 65 cents.

West of south entrance to main building.

Furs have to be thought of. We're busy enough as to making. If we advertise at all, we ought to say what will not oppress us with too much making. Perhaps this it is. A great many seal coats and fur-lined circulars are ready-made. More sizes are ready-made here than anybody expects; especially the unexpected sizes. Ready-made work we can make in July. Why shouldn't we make all the shapes and sizes ready-made?

1303 Chestnut.

Black satin rhademaes and satin de Lyons, 25 to 35 cents below our own recent prices, of all grades from $1 to $2; and we guess our prices haven't been very high; have they?

Next-outer circle, south entrance to main building.

Wool serge embroidered with sitk dots that ought to sell for $1.50—no that isn't the way to put it; it ought to sell according to our theory, for just as little as we can afford; and that is 75 cents.

Look out for such now. It's time for over-buying and all sorts of mistakes to show themselves. We try to keep ready to turn other folk's mistakes to account for ourselves and for you.
