Reed, he authorized to appropriate all moneys collected over and above the amount necessary to pay the debt on the real estate of the Y. M. C. A., as they dail be certified to him by the proper officers of the association.

### JOUND, DENNIS IN TROUBLE.

Me is Accested in this County and Will be Taken to St. Louis,

John B. Dennis, who formerly resided in Mt. Joy, moved West and settled in St. Leading year or more ago. Recently he returned to this county, as is supposed, on a visit. On Thursday Chief of Police Deielder received a dispatch from the chief of police of 5t. Louis telling him to avrest Dennis at once, as he was a defaultin to the amount of \$5,000 or \$10,000 and a fugitive from justice. Mr. Deichler went to Mt. Joy yesterday and arrested Dennis, who was brought to this city and lodged in jail. Word was then telegraphed to the St. Louis authorities. They answered last night that no bail should be taken for Dennis as an officer had left for Lancaster to take charge of him.

Dennis is a native of this county and he formerly kept a hotel and was a drover. His name was brought into prominence through some important liquor cases which he had in court.

### THE BORTSFIELD INQUEST.

Suspicions of Fout Play Freely Circulated The coroner's jury consisting of Samuel Cessin, Dr. J. C. Mowery, Henry Warfel, Henry Beach and Martin Hess, have concluded their investigation into the cause of the death of Mrs. Salvina Bortsfield, wife of Adam F. Bortsfield jr., and return the following verdict : "That the said Salvina Bertstield came to her death from the affects of poison taken either by herself or administered by some person or States. Sold everywhere. 25 cents a bottle. persons unknown to us." m2-ly-M. W&S&w

The case attracts a great deal of atten tion among residents of Safe Harbor and vicinity, many of whom are outspoken in their belief that Mrs. Bortsfield was foully dealt with. It is said the district attorney will take hold of the case, and give it a more thorough ventilation than the coroner's jury were able to do. Dr. Clinger. who made the analysis of the contents of the stomach of Mrs. Bortsfield, states that store, 137 North Queen street. there was enough arsenic in it to kill a dozen men.

### Compromise Effected.

The finance committee of city councils met last evening, and by a vote of 3 to 1 agreed to accept the compromise proposed by the surctices of Edw. Welchans, late treasurer of this city, relative to his alleged defalcation while treasurer. The referee tound in favor of the city for about \$4,000. By the compromise the city will receive only \$2,000, but will avoid vexatious litigation.

The Soup Fund. Mayor MacGonigle acknowledges the following contributions to the soup fund : Mr. F. Schner, \$3; Hon. H. G. Long, \$10 ; Mrs. E. Schner Miller, \$5 ; Birsh & Bro., 10 pounds beef : J. B. Martin, half m. barrel coffee.

Henry Wiell shipped to New York today 15 head of Lancaster county draught and driving horses.

### A Lite in Danger.

This is the fact concerning every man yoman and child who has in the body the sized of kidney, bladder, liver and urinary diseases, from which may spring Bright's dis-case of the kiencys. Such a prospect is sim-ply terrible: and it is the duty of every one

and in order to do so, we offer them at a Great Sacrifice. I find I have on hand I's patterns of the best overcoating to be had anywhere, in Elysian, Vicenta, Montenak and Fur Beavers, which ranged in prices from \$10 to \$50, lined through with silk or satin, which we now offer from \$5 to \$35. I have 28 overcent patterns of English Whitneys, Kerseys, Meltons and Fringe Beavers, in all the Popular Shades, that were sold at prices ranging from \$25 to \$55-we will allow a discount of 5 to 30 per cent, in order to close them out. The greatest bargain ever offered is a lot of Ediredon Beavers, Bine, Brown, Ohve and Oxford mixed shades. We have 17 sult patterns which cannot be bought in Aread of kittney, bladder, flyer and urinary diseases, from which may spring Bright's diseases diseases, from which may spring Bright's diseases diseases, from which may spring Bright's diseases di
