Furs have to be thought of. We're busy enough as to making. If we advertise at all, we ought to say what will not oppress us with too much making. Perhaps this it is. A great many seal coats and fur-lined circulars are ready-made. More sizes are ready-made here than anybody expects; especially the unexpected sizes. Ready-made work we can make in July. Why shouldn't we make all the shapes and sizes ready-made? 1303 Chestnut.

Wool serge embroidered with sitk dots that ought to sell for \$1.50-no that isn't the way to put it; it ought to sell according to our theory, for just as little as we can afford ; and that is 75 cents.

Look out for such now. It's time for over-buying and all sorts of mistakes to show them selves. We try to keep ready to turn other folk's mistakes to account for ourselves and for you.
