comic opera of "The Musketeers," which is to have its initial representation in this city Wednesday evening, by the famous Boston Ideal opera company, is comparatively unknown here, never having been sung in publie, but it is c. . aly one of the brightest and tunniest of recent operatic productions, the music being of a sprightly character, with beautitui airs and vigorous choral effects, while the story is funny in the extreme, Some of the best talent in this fine company is called into requisition in the performance of this opera, the cast including Tom Karl, Mr. MacDonal t, Miss Marie Stone, Miss Geraldine Ulmar and others of similar wide and favor

NEW ADVERTISEMENTS.

MILDHOOD, MANHOOD, AND HOARY AGE EXCLAIM IN UNISON, " BE-HOLD THE CONQUER." DURING a brief visit to the ancient town of Warwick, R. I., recently, our agent extended

his trip to the southeastern extremity of the town, to look about among the wonderful improvements which have been made in the appearance of Warwick Neck during a comparatively brief period, and while conversing on this subject with Col. BENJAMIN S. HAZARD, the popular proprietor of the Warwick Neck Hotel, he learned that the greater part of the handsome summer residences had been erect ed inside of a dozen years; and he also learned that Col. Hazard had been a great sufferer from chronic disease of the Kidneys and Bladder over fitteen years, the most painful form of it being a stoppage or retention of the urine, which was so very severe at times as to disable him for his accustomed work, and even confin him to the bed, when a surgeon's assistance would be required to relieve him. He was being doctored a large part of the time, but could get no permanent relief. At times his suffer ings were terrible from sharp, cutting pains through the Kidneys and Bladder and he had suffered so long and so severely that he had become discouraged of getting well again, especially as the doctor stated that it was doubtful it a man of his age, with such a complicated disease of long standing could be cured. But last sum mer, when he was suffering intensely from one of these attacks, a gentleman who was boarding at his hotel, urged and persuaded him to try a bottle of Hunt's Remedy, as h had known of some wonderful cures effected

Mr. Hazard says he had no taith in it, but consented reluctantly to try it; and after taking it only two days, the intens: pains and aches had disappeared, and he commenced to gain strength rapidly, and in less than a week was attending to his accustomed work, and has never had a return of the pains. Mr. Hazhas never had a return of the pains. Mr. Haz-ard is over seventy years of age, and on the 25th of Nov., 18:2, when our agent met him, although it was a very cold and blustering day, he was in the field with his team at work pulling and loading turnips, as hale and hearty a man as you could wish for, whereas last August he was mable to stand up to overwe the work then going on in this same field. HUNT'S REVEDY had given him health and strength again, and he recommends it to his relatives and friends, several of whom are now taking it, as he considers it a most excel-lent medicine for all diseases of Kidneys or Bladder j29-M,W,F Bladder.
