PAINFUL ACCIDENTS.

Two Children Badly Scaldad. Last evening about 5 o'clock as Mrs. Dorwart, wife of Henry Dorwart, boatbuilder, residing at No. 220 North Mulberry street, was getting supper ready, her two little children, Charlie and John. nie, aged 6 and 8 years, approached the kitchen stove and Johnnie pulled over the tea kettle, the scalding water pouring in a stream down his brother's left leg, scalding it in a terrible manner from above the knee down to the foot. Johnnie's left foot was also scalded, but not so seriously. Dr. A. J. Herr was sent for and applied the necessary remedies, relieving the little folks as much as possible. They are very cheerful to-day, but continue to suffer a good deal. The accident is made the more painful to little Charlie from the fact that he has been happens that the sore knee is the point at which he is most severely scalded.

Three fingers Sawed Off. Philip J. Graybill, the well-known machinist and sawyer, met with a very seri ous accident at his mill, 232 South Water street about half past 9 o'clock this morning. While working at a circular saw his right hand was drawn against the rapidly revolving saw, which nipped the thumb, mangled the index finger so badly as to necessitate its amoutation at the second joint. The middle finger escaped unhurt, but the third finger and the little finger were also terribly mangled and both require amputation close to the hand. Dr. G. Albright has charge of the case and was to have taken the fingers this afternoon Mr. Gray-

bili is peculiarly unfortunate. Las suffered several serious injuries in his mill by being cut and sawed in various ways, and some two or three years ago his clothing was caught by a set screw in a rapidly revolving shaft, and he had several ribs broken. Almost every stitch of clothing was torn from his body, and had not his clothing given way he would on that occasion have been inevitably killed.

I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. Whilethere the doctors said I had a hole in my left lung as big as a half-gollar. Senator Gordon Criticises Senator Smith. HARRISBURG, Jan. 30 .- In the Senate, o day, most of the time was occupied in discussing the confirmation of Sensenderfer and Iseminger to be sealers of weights and measures in Philadelphia. Dur ing the debate Senator Gordon severely criticised Senator Smith, which the latter said would be answered elsewhere than on the floor of the Senate; pending discussion Senate adjourned.

Senator McKnight introduced a bill amending the constitution so as to reduce the number of members of the House to

fifty and of the Senate to thirty. In the House a congressional apportionment bill was introduced by Parcells, (Dem), of Mifflin, which gives the Democrats a slight majority of congressmen. Among the bills reported favorably was one to abolish the ofof delinquent tax collector of Philadelphia and another making eight hours a full day's labor. A LITTLE ACTRESS. Baby Goodman" Taken From the Stage PHILADELPHIA, Jan 30.-John H. Clark, proprietor of the Olympic hall, and John Goodman were fined \$50 each to day for permitting the eight year old daughter of the latter to sing on the stage at Clark's Concert hall. The child is known as "Baby" Goodman and has fulfilled other theatrical engagements throughout the country. The magistrate also gave the child in charge of the So ciety for the Prevention of Cruelty to Children, but the attempt to separate her from her father and mother created a shameful scene in the court, and the magistrate finally reversed the decision as to the custody of the girl, and allowed her

to go with her parents.

THE PUGULISTS. Mace and Slade Appear in Court. NEW YORK, Jan. 30 .- Mace and Slade, the pugilists, who were arrested last night and afterwards released on bail being given, were arraigned in court this morning. The room was crowded with the sporting fraternity. The charge in the affidavit against the accused was that they intended to par-ticipate in a glove tight which would tend to disturb the public peace. Counsel for Mace and Slade demanded an exanination, declaring that they would show that no legal grounds exist for the arrest or police interference. The court set the ex-

amination down for to-morrow afternoor. THE IRON AND STEEL REPORT.
