now occupied. The committee reported in favor of purchasing the Franke property on North Prince street recently purchased by Henry Gerhart, J. Adam Burger, Henry Doerr, Frod. Hoefel. Christian Gitlich, William Wohlsen, G. Froezinger, Christian Blum-ensteck. George Gell, P. Stormfeltz and bristian Woerner, and which was offered by them to the Mænnerchor society for the same price they paid for it.

The report of the committee was then adopted by a vote of 128 year to 32 nays. As the Mannerchor is not an incorporated association, it was agreed to form an association composed entirely of Mænnercher members, and obtain for it a charter and to issue \$20,000 worth of stock, in shares of \$25 each-no one member being clinered to hold more than forty shares. Subscription books have been prepared, and a committee, consisting of Wm. A. Morton, R. A. Smith, John A. Borger, John C. Carter and Frederick Hoefel, was appointed to solicit subscriptions.
