OUR VALENTINE.

To the Weekly Intelligencer and the Daily. The Ground Hog sends greeting, sincerely and gallantly.

Because they've been faithful and true to the Woodchuck.

While others have left the true faith and have squandered.

Unreeling faith on a Wiggins, or wandered far off after Venor or Old Probabilities.

And loved down and worshipped 'em worse imbecilities.

The dear old Intelligencer has stood by me And never permitted my toes to be me.

And hence I have sent as a Valentine greeting To the best and truest that today in a fog.

To prove to the faithless who grope in a fog That I am the true weather prophet.

THE FIRST M. E. CHURCH. Some repairs made in Advance of Conference Meeting.

The interior of the building from top to bottom looks bright and cheerful, and will, no doubt, be a much more pleasant place in which to worship than before these needed improvements were made.
