pear lifeless. I could not rest nights, but was so distressed all over that I could not lie still in bed, but would keep turning and rolling from one side to the other all night, so that I would feel more tired and exhausted in the morning than when I went to bed. My condition be came so serious that I was obliged to stop work, and for thirty days I was unable to be on duty. I consulted the best doctors and tried the numerous medicines and so-called cures, but rapidly grew worse, and was in a sad condition every way when a long-time valued friend of mine, prominent in this city in a large express company, urged me to try Hunt's Rem edy, as he had known of wonderful cures effected by it. Upon his representation I obtained two bottles of the Remedy and commenced taking it as directed, and greatly to my surprise in less than twenty-four hours I commenced to feel relieved. I was in an awful condition when I began to take the Remedy, and had no faith in it; therefore, when I found almost immediate relief, even in one day's use of it, my heart was made glad and I assure you I continued to take the Remedy and to improve constantly from day to cay. I took it with me on my trip to Maine for I was bound to have it with me all the time, and the result is that I improved speedily all the time I was away; and ever since my arrival home, which was several weeks ago, I have been on duty every day. I feel first-rate, and the swelling away; and ever since my arrival home, which was several weeks ago, I have been on duty every day. I feel first-rate, and the swelling of hand, feet and legs have disappeared, and the terrible backache, which used to bother me more than all the rest, troubles me no more, and I sleep splendidly nights, and surely have very excellent and forcible reasons for speaking in praise of Bunt's Remedy, for it has made a new man of me. I don't know what I should have done without Hunt's Remedy; it is the best medicine that I ever took, and I very gladly recommend it to all who are afflicted with Kidney or Liver diseases, or diseases of the Urinary Organs.

Respectfully, ISAAC W. FAIRBROTHER.

"Nothing else would," tersely says Justice J. G. Jewell, of Woodbury, Vt., "but Kidney-Wort did cm e my three years' rheumatism."

Walnut Leaf Hair Restorer. Walnut Leaf Hair Restorer.

It is entirely different from all others. It is as clear as water, and, as its name indicates, is a perfect Vegetable Hair Restorer. It will immediately free the head from all dandruff, restore gray hair to its natural color and produce a new growth where it has fallen off. It does not in any manner effect the health, which Sulphur, Sugar of Lead and Nitrate of Silver preparations have done. It will change light or faded hair in a few days to a beautiful glossy brown. Ask your druggist for it. Each bottle is warranted. SMITH, KLINE & CC., Wholesale Agents, Philadelphia, and HALL & RUCKEL. New York.
