THE GRAY EDICIER CO., N. Y.

An Internal Revence Officer Saved. PROVIDENCE, August 21, 1882.

DEAR SIE: During my term of service in the Internal Revenue Department of the United states, at the time my office was in this city, I was afflicted with a severe attack of Kidney disease, and at the time suffered intensely. received the medical advice of some of our best physicians for a long time, without being benefited by their prescriptions. Being discouraged by the failures of the doctors to help me, and being urged to use Hunt's Remedy by a friend who had tested its merits, although reluctant to try a patent medicine, I was finally induced to try the Remedy, and procured two bottles of it and commenced taking it faithfully according to directions.

Before I had taken it three days the excruplating pains in my back had disappeared, and before I had used two bottles I was entirely ured. Whenever, from over exertion or a violent cold, the pains in my kidneys return, few doses of Hunt's Remedy quickly effects a cure.

Before closing I beg to mention the remark able cure of a friend of mine in New York city, to whom I recommended this valuable nedicine. He was suffering severely from an attack which was pronounced by his physi cian a decided case of Bright's Disease of the Kidneys. I obtained two bottles of Hunt's Remedy for him, and he commenced taking it and began to improve at once, and was speedily restored to health, and he attributes the saving of his life, under the blessing of a mercitul Providence, to Hunt's Remedy.

Another friend of mine in New York, to whom I recommended Hunt Remedy, was suffering severely from Kidney disease, and was entirely cure I of it after using this wonderful medicine only a short period. Feeling deeply grateful for the great benefits experienced by my friends and myself

from the use of Hunt's Remedy, I feel it to be duty, as well as a great privilege, to turnish you this voluntary and unsolicited statement of tacts for the information of your large number of readers, many of whom are undon tedly suffering from this widely spread ing scourge, and I believe it is the best mediine now known, and that it will cure all cases of Kidney diseases that can be cured. I shall be pleased to confer with any one who

nay desire an interview regarding the state nents herein contained, Truly yours,

lilness of Senator Cameron. Early Saturday evening there was a report at the capitol that Senator Don Cameron had dropped dead. Messengers were sent hither and thither to investigate the rumor, and it was finally ascertained that while sitting in the Senate coat room at about 7 o'clock he suddenly fainted from sheer weakness. Senator Cameron has been suffering from hemorrhoids, which have so depleted his constitution that about a week ago it was feared he would not rally. He recovered sufficiently, however, to be carried to the Senate, but under the excitement he gave way and fainted. He was at once taken to his (Md.), McMillin, Miller (Pa.), Mills, home and physicians hastily summoned, Morey, Morrison, Moulton, Muldrow, who, after consultation, decided that a surgical operation must be performed at the earliest practical moment. A dispatch from St. Lous says: The performance of the public ceremony uniting Senator Tabor and the belle of Osh a scene of riotous disorder. No one paid kosh has loosened the tongues of a select few who were cognizant of a quiet ceremony performed in St. Louis several months ago. The truth is that the elaborate nuptials in Washington on Thursday were a sham. Mr. Tabor and Miss Lizzie McCourt were made husband and wife on the 30th of September last and the mar riage was a plebeian sort of an event, all except the fee. The ceremony took place in the law office of Col Patrick Dyer, in St. Louis. Mr. Dyer had been associated in mining enterprises with Tabor, and the latter choose him as a confidant in his matrimonial venture. Miss McCourt came here by appointment. Justice Young was called in and the knot was tied. A fee of \$100 was paid, not so much as a tribute to the unction with which the words were said as to induce secresy on the part of the justice. The witnesses the election case again no quorum voted to the ceremony were Mr. Dyer and one other. After a very brief honeymoon Mr.

and Mrs. Tabor separated to come together again under the brilliant programme carried out at Washington. Colonel Dyer was asked what the strange act of the senator meant. "Well, there isn't much of a story to tell. Sena-tor Tabor is an old friend of mine—in fact, we are jointly interested in a piece of property and I have for a long time been his attorney He came here in the latter part of last September, and from what I afterwards learned I am satisfied he came by appointment with the lady he married and for the purpose of marrying her, al-though his ostensible purpose was to attend to some law business. The lady arrived here the same day or the day after he did and she was accompanied by her lowed upon articles embraced in said brother, Mr. McCourt, who, I under-schedule that shall be exported on and stood, is in business at Ochkosh, where the family reside. As he knew me probably more intimately than any one else here, Mr. Tabor naturally called on me to

help him in arranging for the marriage. as they wanted it kept secret." "What was the purpose of secrecy?" "Oh, it was for very good and legitimate reasons. You see at that time, al though he had been granted a decree of divorce from his first wife, she was suing him for alimony, and the marriage during the pending of that suit might complicate matters, so they thought it would be best to make no announcement until the case was disposed of."
