A Governor's Testimony. Si'm mons Liver Regulator has been in use in Day family for some time, and I am satis-fied it is a valuable addition to the medical science. J. GILL SHORTER, Governor of Alabama. Hon. Alexander H. Stephens, of Ga., says Have derived some benefit from the use of Ammons Liver Regulator, and wish to give it a further trial.

"The only Thing that never fails to Relieve. "The only Thing that never fails to Relieve." —I tave used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesota to Georgia for it and would send further for such a medicine, and would ad-vise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve. I would be content to let it pass unnoticed if I had not been inand give them the benefit of it in a reduc tion of their tax, as money to them gen formed that it was manufactured in the formed that it was manufactured in the commissioners' office, and published at their instance, as their best defence of the excessive and unnecessary levy of a three-mill tax this year and last. But why this masquerading? The taxpayers universally, so far as I have heard them erally was worth more than 4 per cent., but in this we were disappointed, as our successors in their wisdom increased the levy instead of reducing it. There is a small discrepancy between the amount of dead surplus that their levy of last year and this will give them

Our regular correspondent at Philade!nor have I any personal or sinister objec phia telegraphs as follows : Besides the agents employed by Prince Bismarck in to subserve by it; neither have I any feeling other than of a friendly character London to negotiate for the purchase of 10,000,000 acres of land in Mexico, it has toward the commissioners personally. It would afford me infinitely more pleasure, been learned that the prime minister has if their management would warrant it, to write in commendation of it. also a very active representative in this city engaged in the same business. So I shall not follow the Examiner's many Germans are annually emigrating tedious array of figures through their to the new world that the German governdevious manipulations ; they are not in-tended to elucidate to the matter at issue ment desires to purchase land for tended to elucidate to the matter at issue but to obscure it and cover up as much of the large surplus as possible. I shall refer to only a few of the most glaring misrep-resentations and erroneous conclusions resentations and erroneous conclusions trol of the German laws. Dr. Bidlack, of drawn from them. The first is as follows : No. 1335 Arch street, has been authorized "The balance remaining in the county treasury, when Robt.
