Several witnesses were examined but no new facts were elicited. THE DUKES CASE.

Disposition of It at Harrisburg. Special Dispatch to the INTELLIGENCER.

HARRISBURG, March 21.—The House Judiciary committee this morning, through Mr. McKeen, reported that the seat of Dukes should be declared vacant, if officially ascertained that he has failed to be qualified as a member and that he has been guilty of such immoral and infamous conduct as would render him unfit to occupy a seat in the House.

This report was supplemented by a resolution asking the House to empower the committee to investigate the failure of Dukes to report, and to inquire into his conduct. The committee's request was granted and the resolution offered by Ammerman was adopted, that the oath was not to be administered to Dukes pending investigation.

In this shape the bill passed second reading. The following bills were favorably reported: To prohibit trafficking within one mile or religious gathering, and to amend the act for the more effectual punishment of public lewdness.
