REPUBLICAN COUNTY COMMITTEE. The Date of the Primary Election Fixed— The Independents to be Disbarred.

A meeting of the Republican county committee was held in G. A. R. hall.

A. F. Shenck was in the chair and After the minutes had been read, the

be held in accordance with the rules, on the last Saturday in May, and that the president issue the call for the election in the usual form. The motion was agreed The following preamble and resolution

were offered : "WHEREAS, At a former meeting of the solved to disbar the Independent Repub-

licans in their primary meetings and elections, now therefore be it" " Resolved, That said resolution be and is bereby rescinded."

T. B. Cochran moved to lay the resolution on the table. A vote was taken and the chair was

unable to decide whether the motion was carried or lost. Members did not seem to tumble to the effect of the motion, and several short speches were made in explanation. Fred Dern and others argued straight Republican ticket at the city and township election; that their votes would be wanted next fall, and that it would be unwise to disbar them. Brown, of Paradise, Tom Cochran, of the Sixth ward, city, and some others thought the party could very well do without the kickers, and would enforce the rule which prohibits them from voting at the primary. The committee didn't make the rule and couldn't repeal it. It was made by the Republican voters at large crow. The committee had resolved at its last meeting to enforce the rules, and he didn't propose to say at this one that they should not be enforced. Besides, the committee had just now adopted a motion requiring the president to issue his call for the primary in accordance with the rules, and these rules prescribe who shall be allowed to vote at the primaries.

The question was then called on tabling the above preamble and resolution, and they were laid on the table with only a few dissenting votes.

Secretary Welchans said there was a vacancy in the committee caused by the removal from the Third ward of Committeeman Eph. Shaub. He moved that Capt. E. McMellen be substituted.

Mr. Cochran moved to amend by author izing the retiring committeeman to name his own successor. The amendment was

Its General Observance To-day The throng of country people in town to-day is as large as has been usual in former years on the first of April, which from time immemoral has been annual settlement day between city merchants and country patrons. The hotels and saloons are driving a thriving trade, the banks are crowded with customers and the tellers and clerks are much too busy to make an estimate of the amount of money handled, but will have it down to dots by midnight. The prothonotary and recorder together with their regular clerks and a corps of specials, are busily engaged in receiving and recording papers pertaining to their respective offices. Bustle and confusion reign on the streets, but up to the present hour no breaches of the peace

have been reported. The German band did a thriving busi ness to-day and gave excellent concerts in different parts of the city. It is something wonderful how large a crowd can be gathered together by an attraction of this kind, and it is still more astonishing to see how quickly the majority of them can get away when the collection is begun. Not withstanding this drawback the musicians had a rich harvest. Peanut stands were erected in all parts of the city and did well. The organ grinders also drew considerable into their tills.

The whole city police force is on duty, although half of them are in citizens' clothing. There is very little disorder on the town and not much drunkenuess. The police report business dull, and no pick pockets have been heard of.

The cars on all the trains coming into the city to-day were crowded. Between 700 and 800 came in on the Quarryville road and nearly 1,200 on the Pennsylvania THE REPUBLICAN CAUCUS.

Who Drew the Prizes on Saturday Night.

The city officers chosen to-day in joint convention were the nominees of the Re publican caucus of councilmen, which was held in common council chamber last Saturday evening. Hervey N. Hurst for president and David L. Deen for clerk of common council; Halbach for superintendent of the water works, Levan for street commissioner; and Myers for treasurer, had little or no opposition. For solicitor there were five ballots, J. W. Denlinger leading at the start with nine, Landis next with seven, Johnson falling behind to five and W. T. Brown had two. Ou the second ballot Brown's friends divided between Landis and Johnson; and on the fourth ballot Johnson gained from Denlinger and on the fifth was elected, to 13 for 9 to Landis. It is claimed by Denlinger's friends that Landis' caudidacy beat him and elected Johnson. Allau A. Herr was defeated for city regulator by a vote of 22 to 1, it being claimed that his defeat was a punishment for his failure to vote at the last city election in the Seventh ward, when one more Republican vote for Wohlson for select council would have tied him with George Bor-

" Young Mrs. Winthrop " Wednesday .- That Lancaster theatre-goers will have an eminently high treat in the presentation of this new and excellent play by the famous Madison Square theatre, there is no doubt.
