A FEW WORDS ABOUT PAINT.

In painting a building the most important consideration is to select the very best Paints, by deing so you avoid the expense of repainting before the proper time for repainting occurs. And as the paint costs less than the putting on, what you most want to save is labor. The best paints cannot be prepared by hand mixing so that that they will prove durable and cover as great a quantity of surface as the best paints which are produced by thoroughly experienced and practical paint makers, with the aid of complete machinery. We have been selling WADSWORTH, MARTINEZ & LONGMAN'S PAINTS for two years and the reports received from all our customers justify us in offering to furnish our pure paints FREE of COST to any buyer who having painted his building with our paints can demonstrate that our paint has not co-t 10 per cent less for paint used than cost would have been for either pure White Lead and Linseed Oil, or any other mixed paint in the country. We only ask you to give it a test

A RURAL LOTHARIO.

Dragged From a Garret by Masked Men and Not Seen Since.

In a little village called Bendersville, on the Lehigh mountain, between Seiders ville and Friedensville, lives an old shoemaker named John Ruth. In the employ of Mr. Ruth is a young man named Lewis Xander. About a month ago Xander and Mrs. Ruth packed a few of their things and left together for other parts. Nothing was heard of them until a few days ago, when they returned to Bendersville and again took up their abode with old man Ruth. Ruth received his recreant

wife with open arms and all was forgiven. About 9:30 o'clock, last night a masked party visited the house of the shoemaker. They were refused admittance. They broke open, the door and began to search for Xander. All the time Mrs. Buth was crying murder at the top of her voice. But the avengers were bound to rid the community of so gay a Lothario as Xander, and continued their task regardless of the screams of the woman, who by this time had aroused the whole neighbor hood. The garret was visited, and there, under a bed, Xander was found. He was dragged out and taken away. No one in Bendersville has seen him since.

Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial. In Lockport, N. Y., yesterday, William Richmond, Democrat, was elected mayor — I have used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesola to Georgia for it and would send further for such a medicine, and would ad-vise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.

The city election in Bordentown, New Jersey, resulted in the re-election for a fourth term of John C. Hudson, the Democratic candidate for mayor.
